IN MY HEART

Foreword

With A Song In Our Hearts . . . the PIX Staff presents to the students and the faculty of Little Rock Central High school this issue of the PIX for the year 1958. It is our sincere desire that it will be kept and treasured as a reminder of this memorable year at Central.

To us there was a melody that flowed through the year, changing its tune with different phases of our school life. The happy tunes, the melancholy, the nostalgic and the gay all expressing a mood that each of us has felt at one time or another.

We hope that the melodies of the 1958 PIX will become a memory to sing in your heart forever.

Dedication

With love and appreciation, we, the PIX Staff, dedicate the 1958 PIX to you, Mrs. Carolyn Bell, and to you, Miss Mary Flood. Through your departments you have rendered fine distinguished service, giving of your best to our school life. To your homeroom groups you have given the guidance, encouragement, and helping hands that make you deserving of this honor. From the faculty, the student body, and the 1958 PIX Staff, we present this dedication to you, and want you to be assured that it comes from our hearts.

Campus Scenes

LRCHS Building

The main building of Central High is considered one of the most beautiful and impressive in America, and it is greatly loved by its students and alumni. Raised every morning over our campus are two flags, the American flag, symbolizing American freedom and independence, and the official school flag, representing the high standards of the students of Little Rock Central High.

Home of the Tigers

Our field house is the most recent addition to the LRCHS campus. It is the center of all our indoor sports and numerous other activities, such as dances, exhibitions, special assemblies, and gym classes. The field house is equipped with folding basketball goals, collapsible bleachers, a trampoline, the physical education office, and various other modern features.

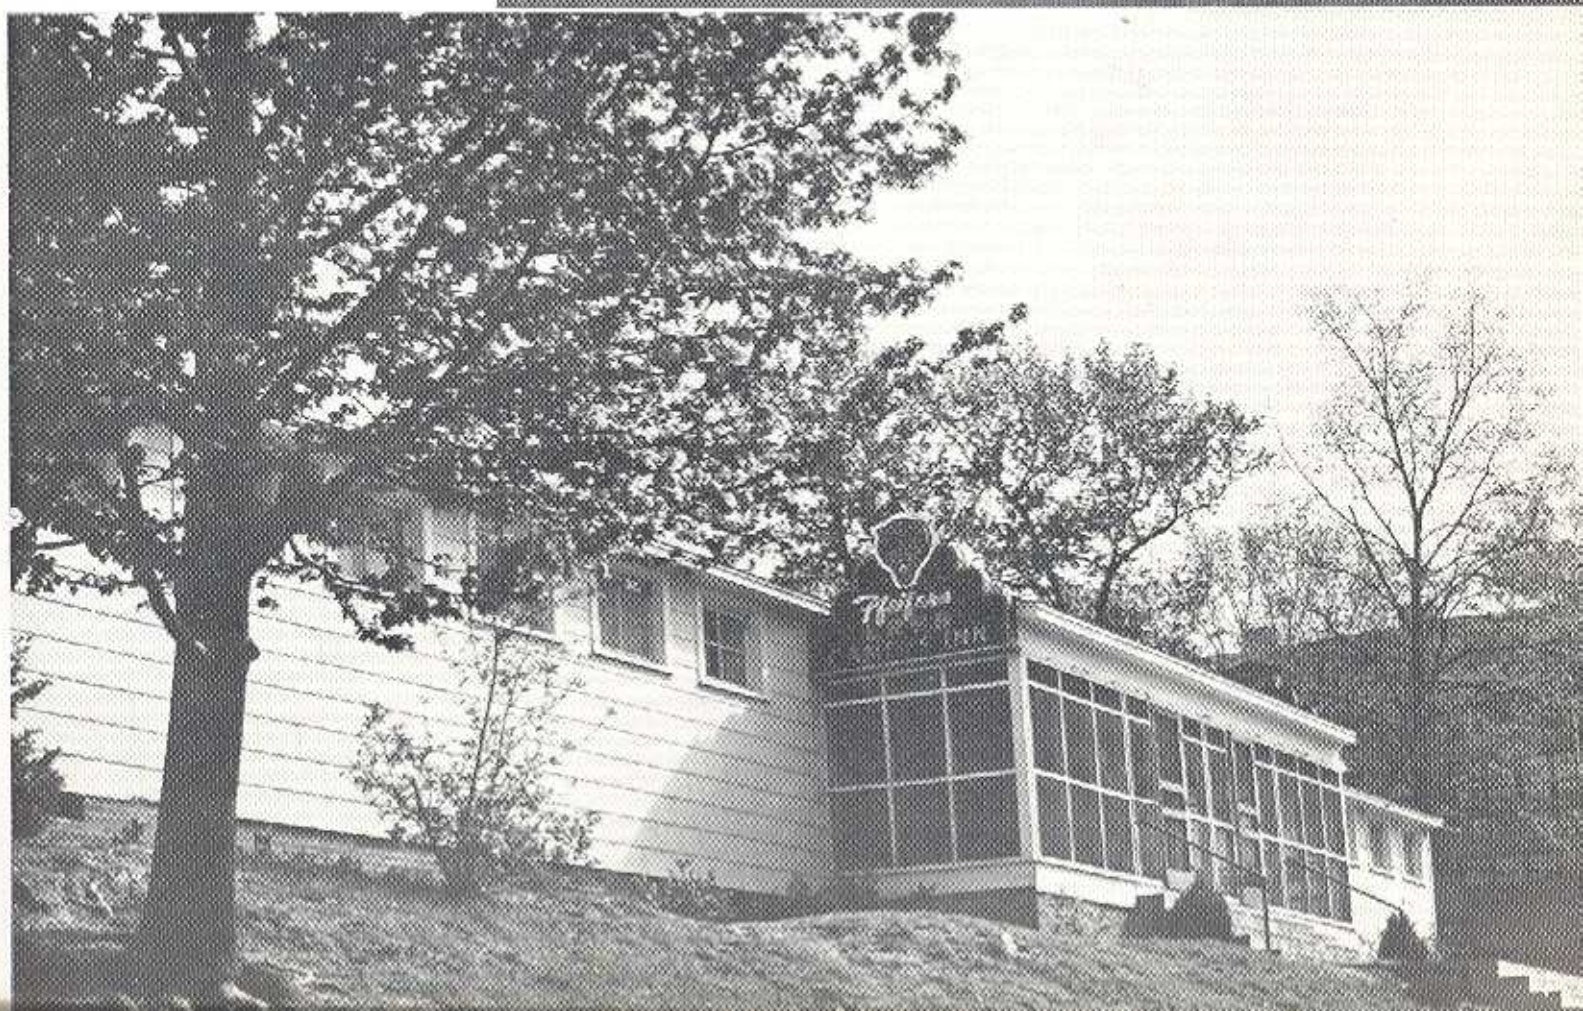

The Sunken Garden

One of the student's favorite areas on the CHS campus is the inspiring sunken garden and the pool located on the front lawn. The pool is stocked with mammoth goldfish and is surrounded by holly and evergreen trees. Two marble benches beside the pool invite us to stop and rest. The serenity of the area provides students with an ideal place for study or simply a place for contemplation.

Campus Inn

Campus Inn, a very functional building, serves both as a popular place for eating lunch to the accompaniment of a juke box, and also as the home of many CHS parties. It is the Campus Inn Youth Center.

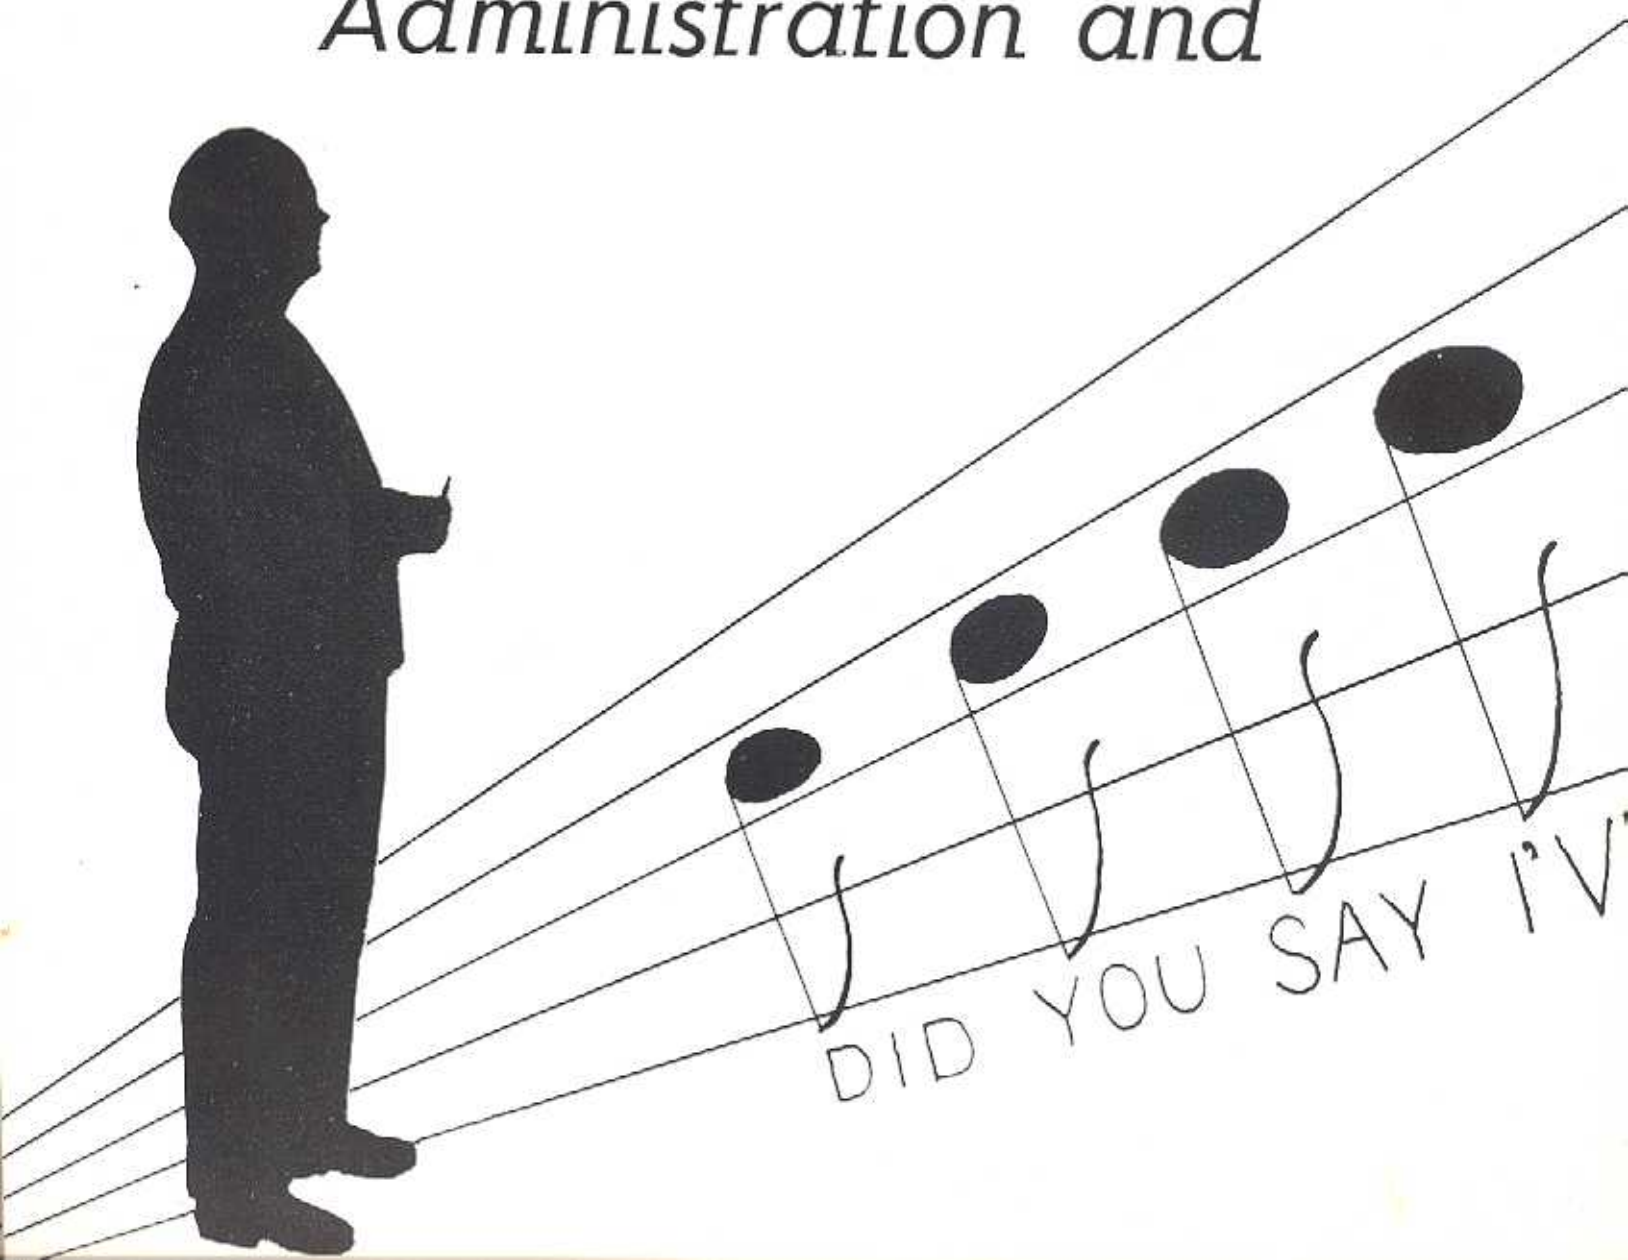

TEACH ME TONIGHT

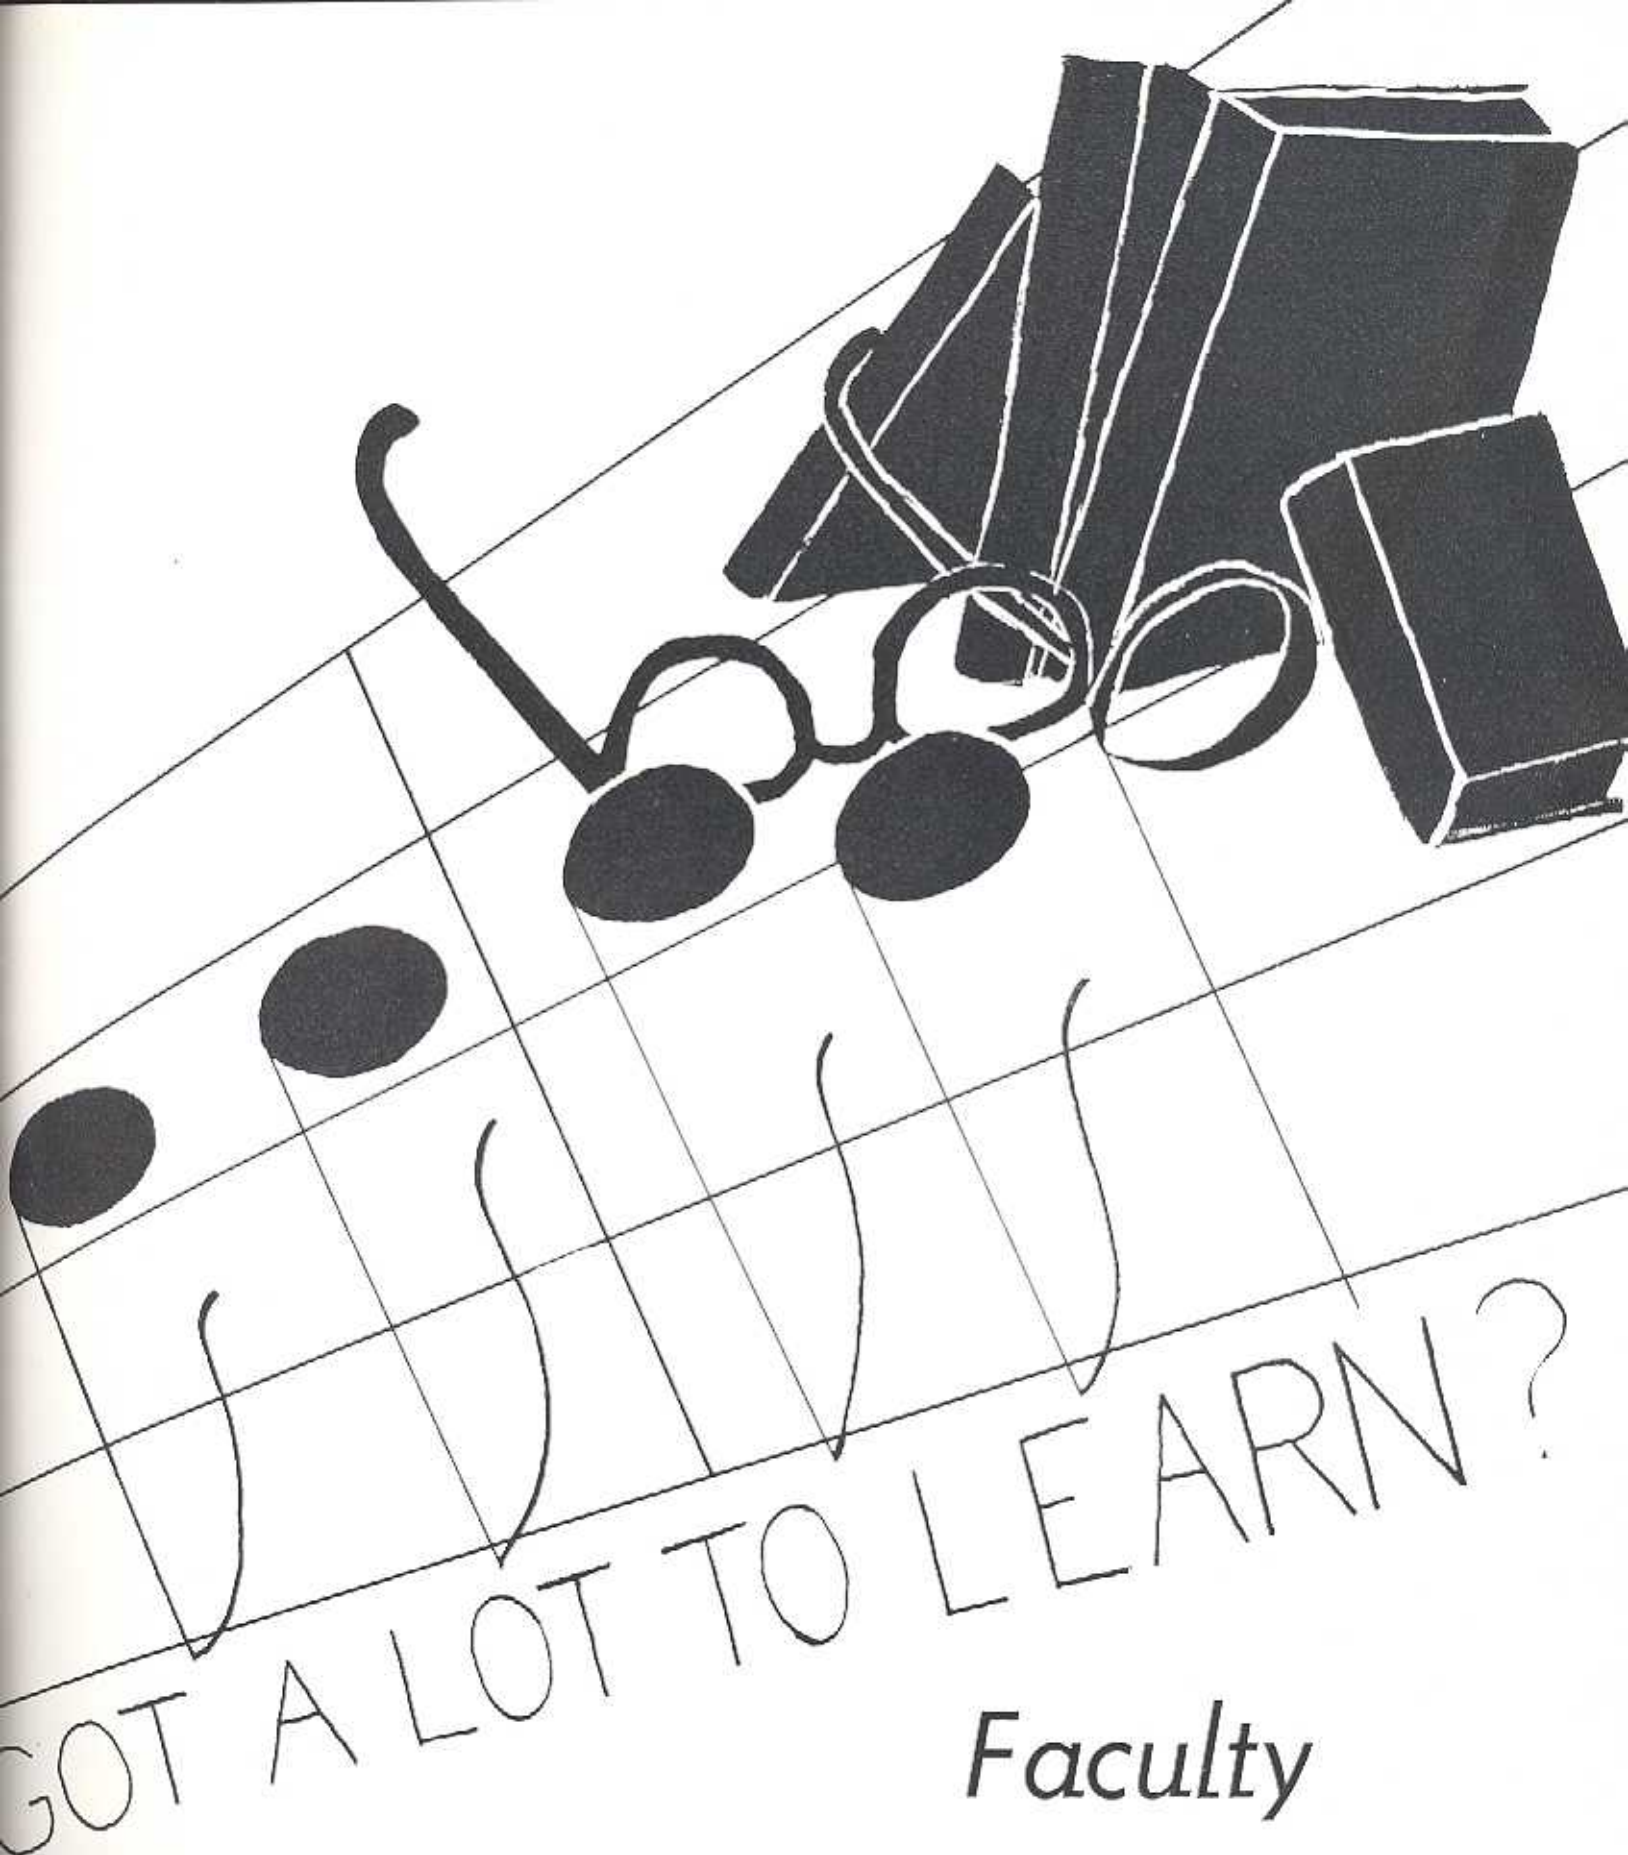

Teach Me Tonight . . . is a suitable song for our teachers, even though they do their teaching during the day instead of at night. At the beginning of the school year there were many new faces among our faculty, but now all are a familiar part of our school life, a part we will remember with gratitude and appreciation in years to come.

There is much more to the job of being a teacher than just teaching from a text book. Teachers sponsor clubs, head committees, and do much to make Central a nicer place to attend. One might say they are our "parents away from home."

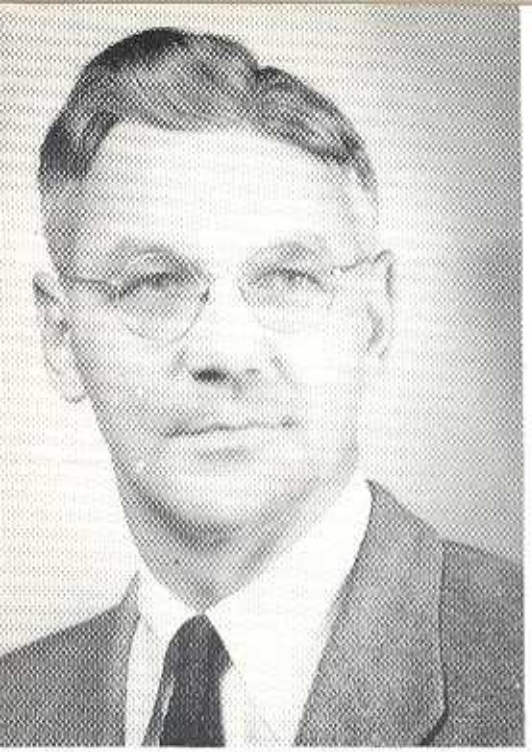

The length and breadth of a teacher's influence is far-reaching and immeasurable. Teach me tonight . . . Teach Me for Always.

LITTLE ROCK BOARD OF EDUCATION

The Board of Education, selected by the voters of the city, plans and directs the educational needs of all the children of Little Rock. Composing the board are men who have succeeded in maintaining the highest standards in general physical plants, in the instructional staff, and in a complete program for the social, physical, mental, and spiritual developments of the student.

The continuous growth and the national rating of the Little Rock schools are maintained through the work and the zeal of the Board of Education. The high character and faithful service of these gentlemen have enabled us to obtain these notable standards.

DR. DALE ALFORD

R. A. LILE

HENRY RATH

VIRGIL T. BLOSSOM, *Superintendent of Schools*

Virgil T. Blossom, Superintendent of Little Rock public schools, has greatly aided the educational program of Central High. Superintendent Blossom leads and advises the entire school personnel. Admired by students, teachers, and businessmen and women of Little Rock, he is well known for leadership, for shrewd forsight, for dedication to his job, and for his amiable personality.

In 1957-1958, Superintendent Blossom exhibited strong leadership and great courage in a crucial and history-making year.

ASSISTANT PRINCIPALS

Mrs. Elizabeth Huckaby

Girls' Vice President

As girls' vice principal, Mrs. Elizabeth Huckaby is interested in all the girls of Central High School, both as individuals and as groups. She works closely with the girls' service clubs and sponsors the Pentangle Board. Opportunities for Central High School girls, such as Girls' State, D.A.R. Good Citizen, and City Beautiful Princesses, are handled through her office.

Mrs. Huckaby also works with both boys and girls through the student aid program.

J. O. Powell

Boys' Vice President

The major functions of the vice principal for boys are to interview students referred to him by classroom teachers, to arrange advisory conferences with parties concerned, and to maintain a cooperative working relationship with community organizations interested in youth welfare and related activities in the Little Rock area.

Secondary responsibilities include nominal membership on all standing committees, operation of the school bookstore, preparation of monthly and annual supply requisitions for all departments, supervision of custodial personnel and building maintenance, and the rendering of specific administrative and executive assistance as directed by the principal.

JESS W. MATTHEWS, *Principal of Central High School*

Jess W. Matthews, principal of Little Rock Central High School, is an acknowledged Leader. Mr. Matthews is known and respected by the entire student body and faculty of Central High School. Regardless of situations confronting him, he always has time to assist both teachers and students in their problems. Dedicated to doing his job well, Mr Matthews is recognized and admired for his outstanding personal abilities, for his agreeable manner, and for results accomplished.

GRADUATION DAY

Graduation Day . . . Yes, that is the day toward which all seniors have worked. It is the climax of three years of work and fun. Everything has a deeper meaning and special significance for the seniors of '58.

As seniors we are the leaders, each one of us is responsible for making this school year a success. Our success or failure in high school is an indication of our life in the adult world. When we receive our diplomas and shake hands with Mr. Matthews, we leave behind our adolescence and enter the adult world. When the long awaited, much anticipated day arrives, we will be able to look back with pride on all that we have accomplished. Worry and strain will be forgotten, and only satisfaction will remain. Graduation Day . . . the end and the beginning.

LITTLE ROCK CENTRAL HIGH SCHOOL

14th and Park Streets — Little Rock, Arkansas

Phone FRanklin 5-1285

May 1, 1958

Dear Seniors of 1958:

The graduating Class of 1958 will always stand out in my memory because it is the last class from Central that represents the entire city; because a member of my own family is one of the graduates; and because the class as a whole reacted so admirably to the shock of having the eyes of the world focused on the school.

Only the news of the Russian sputnik spinning in its celestial orbit took our school off the front page. Although the pressures from the outside world made it difficult for students to pursue their normal school program, class officers were elected, senior committees functioned, and the class united in a very cooperative way to leave a fine record of achievement in Central in a year that will no doubt be mentioned in history books for a long time to come.

The occurrences which members of the Class of 1958 will remember, however, as the most significant events of their senior year, will probably not be recorded in books. These, I believe, have been the really important events to most members of the class:

The string of thirty-three victories won by the varsity football team, with two seniors named on All-American high school selections, four on the All-Southern team, and nine members making first string on All-Conference teams.

The listing of Central High School on the Marschner report as one of the top thirty-eight high schools in the United States, a rating based on the scholarship performance of its graduates; and the subsequent qualifying on the National Merit Examination of nineteen members of this class.

The outstanding performance of members of this class and of others in the Key Club Capers and Beta Club College Day; the beautiful concerts by the A Cappella Choir and the Tiger Band; the journalistic achievements of the Tiger and Pix editors and staffs as they met the challenge of being at the center of news; the popularity of the Swing Band; the Valentine Ball and the Christmas parties and spring dances of service clubs and social clubs; the successes of the varsity basketball and track teams; and the senior events: the Senior Prom, Class Day, Vespers, and the big night, Commencement.

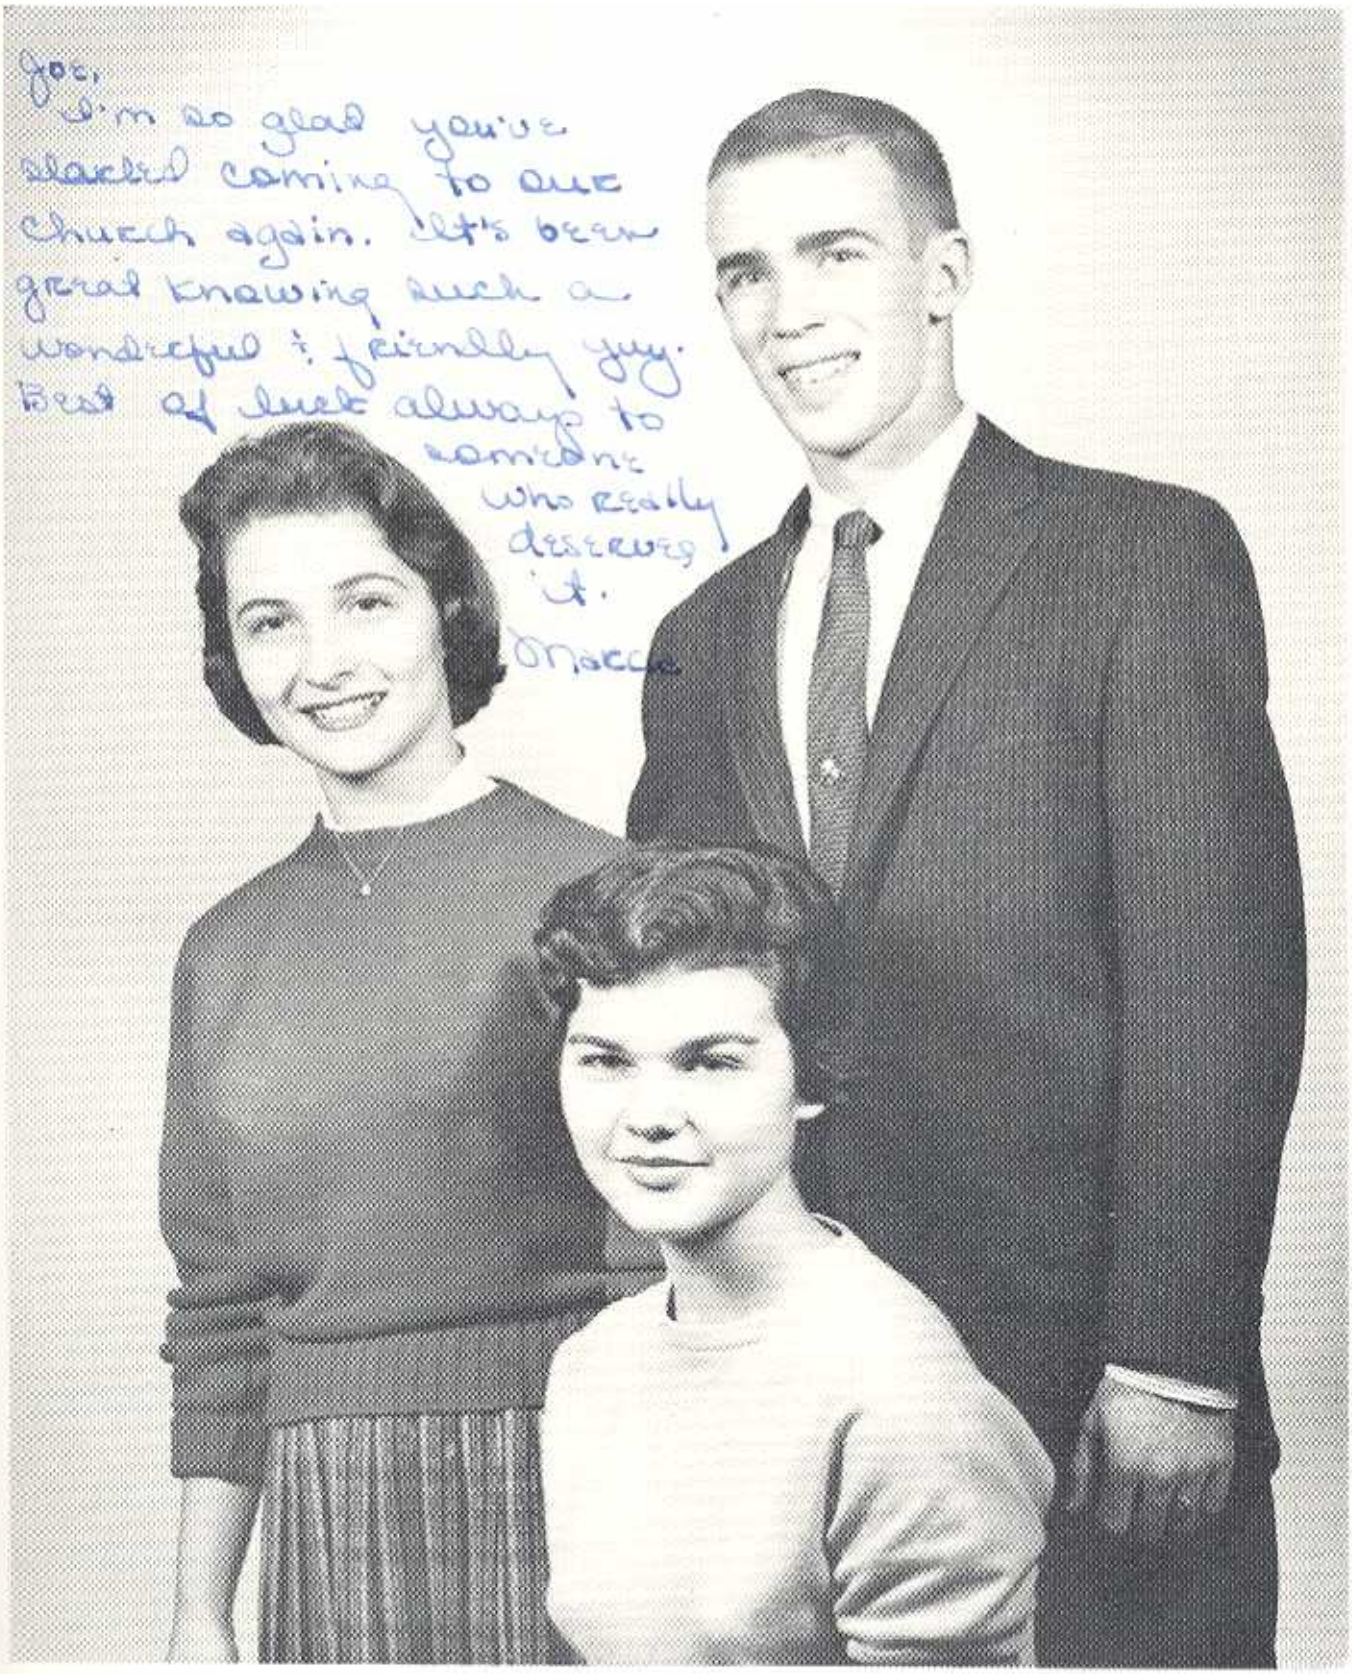

And as I remember this class and look at the Fighting Tiger statue in the front hall, I am sure that what I shall recall is the stability, the loyalty to Central High School and its traditions, and the high achievement and character of the members of the Class of 1958.

Affectionately yours,

Jess W. Matthews

STAR SPANGLED BANNER

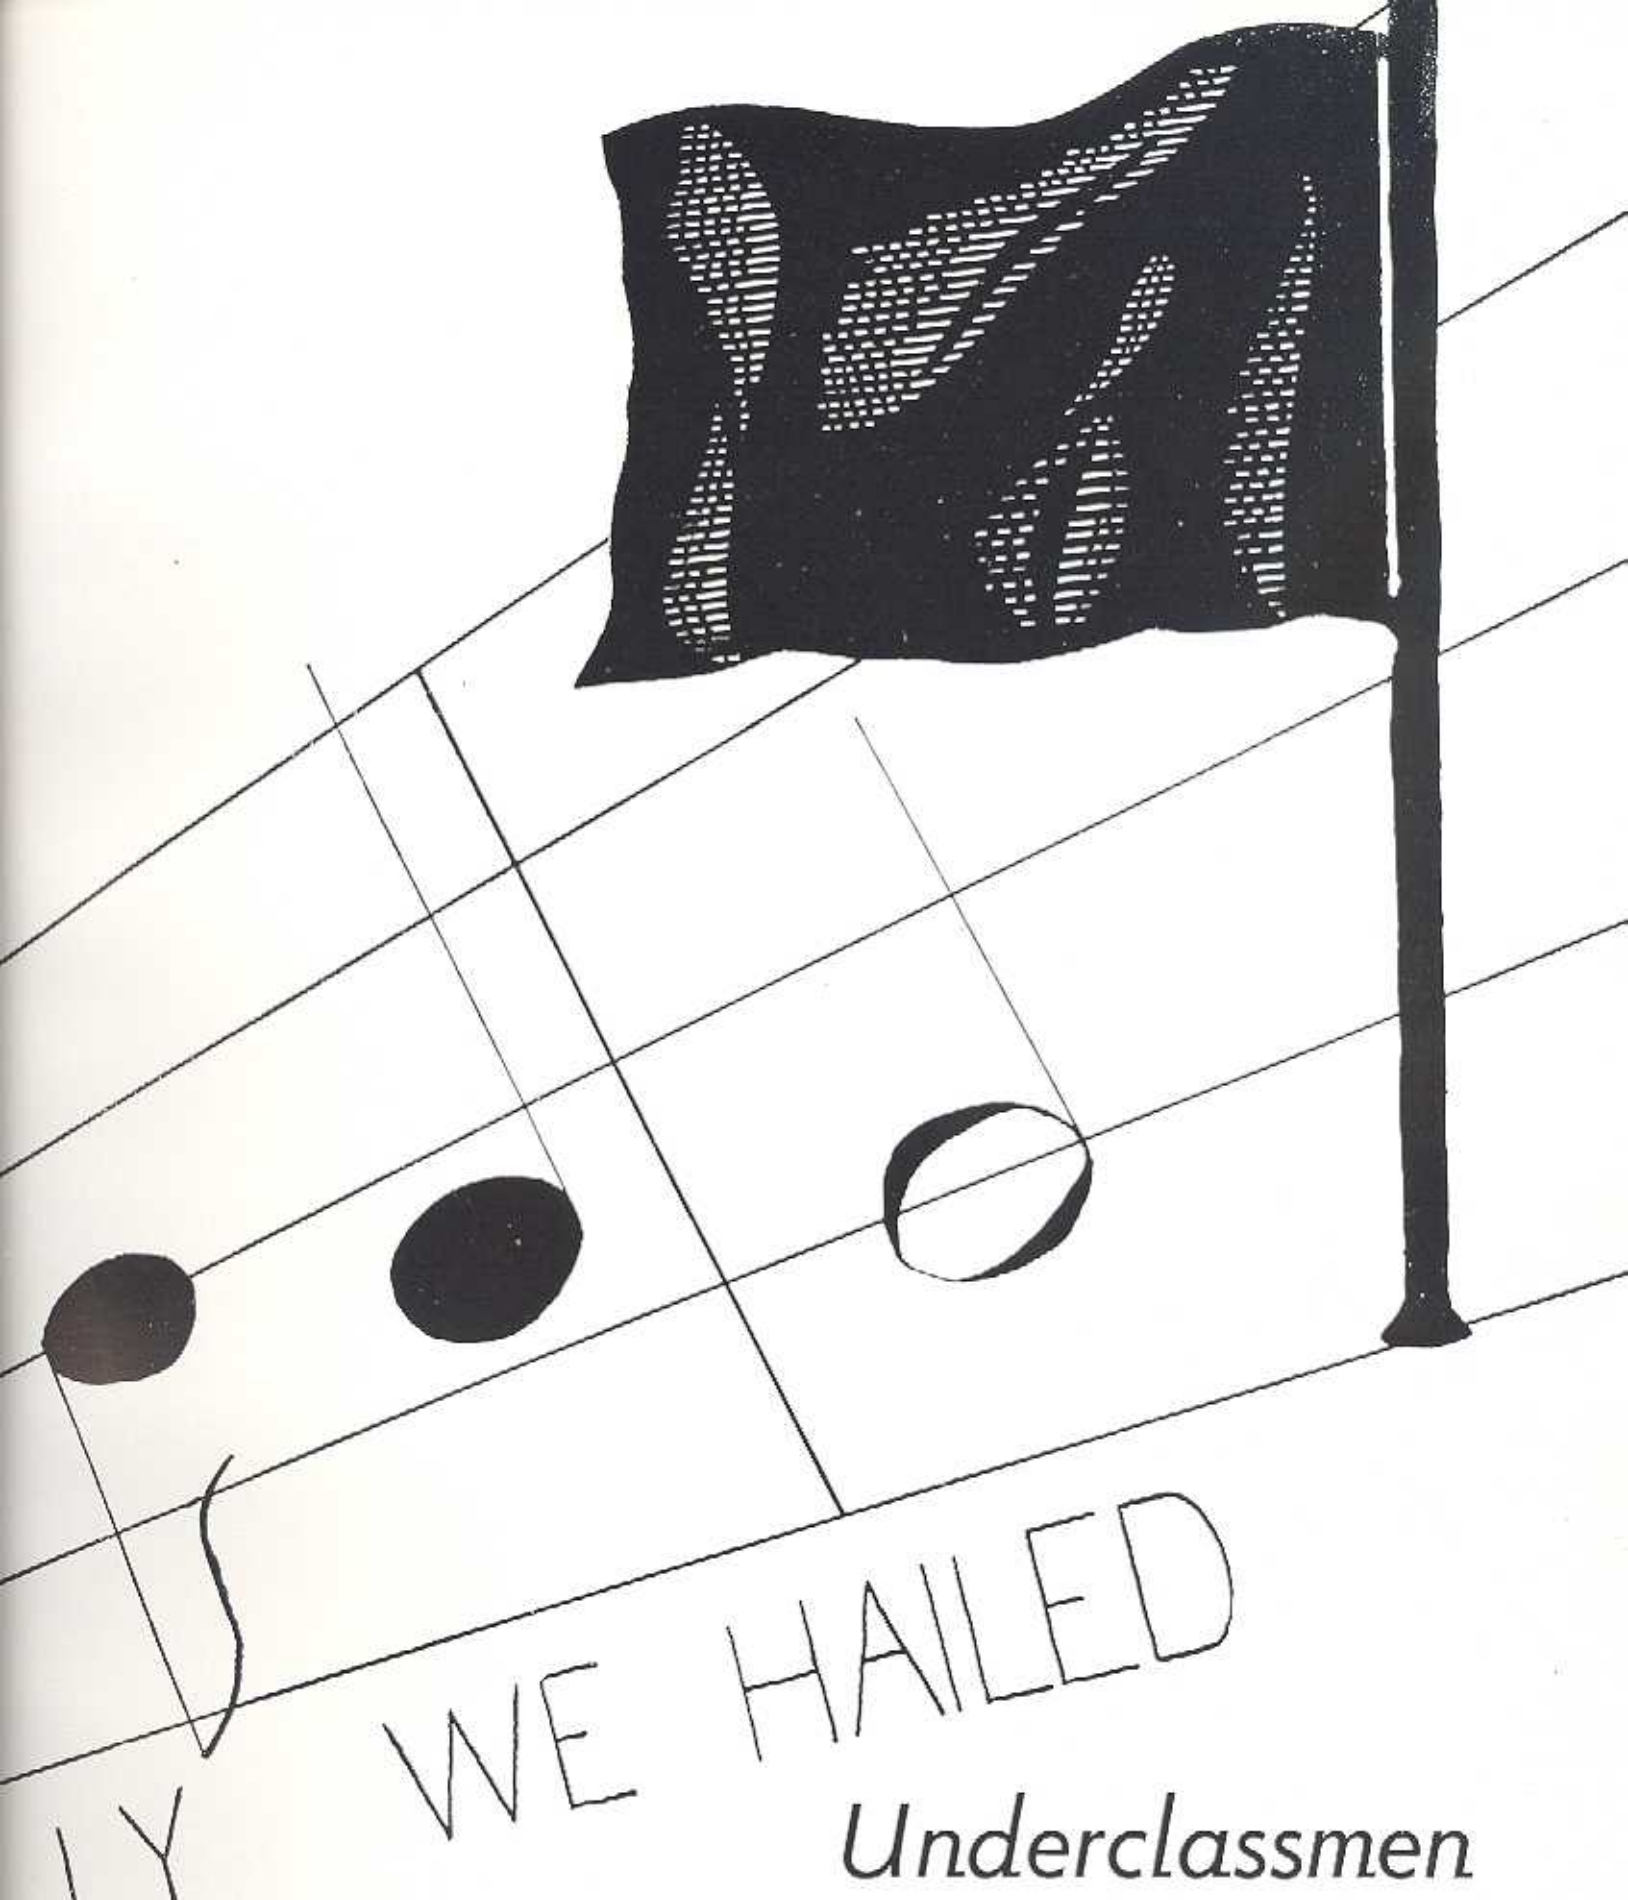

The Star Spangled Banner could be a theme song for all of us, because each day at Central begins in our respective homerooms with the Pledge of Allegiance to the flag of the United States. This is an impressive ceremony and one that fills us with pride.

Homerooms are especially an advantage for the underclassmen who make up a large part of our school life. In their first few weeks of school, homerooms are the one familiar thing in an otherwise strange world. The long corridors and numerous classrooms at Central soon become a familiar part of the everyday life of each student. Underclassmen are good at adapting themselves and in developing their own style of leadership. Their main goal, however, is to form a strong foundation for their senior year.

A salute to our underclassmen, our seniors of tomorrow.

Jill,
It sure has been nice knowing you this year. You are really a sweet guy and will go far in life Best always.
Pat Robins

Homerooms At Central

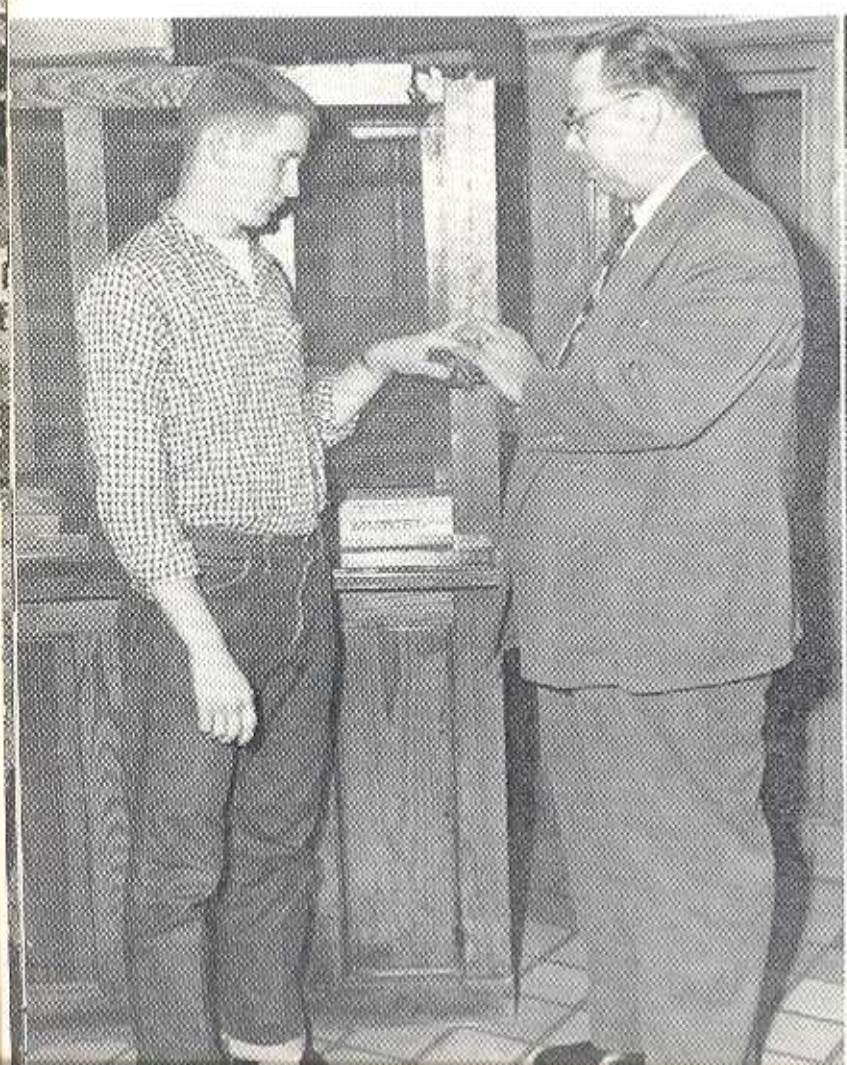

One of the most important periods of the student's day is the homeroom. It is the student's home on the campus; it is the liason unit between home and school; more than any other person the homeroom teacher keeps up with the student's life both at home and at school. Many students are fortunate enough to have the same homeroom teacher for three years at high school. During this time she becomes our friend, counselor, and helper.

There are many opportunities to learn parliamentary procedure, and to develop leadership by holding one of the homeroom offices. The most important offices are president, vice president, secretary, and student council representative. As we stand at attention the history of our country is recalled to us all by the sounding of the bugle and the pledge of allegiance each day.

Social life is developed through the homerooms of the different grade levels. We have sophomore, junior and senior talent assemblies, class parties, and a spring picnic. Each grade level elects a representative to speak for them in the student council.

HAIL, ALMA MATER!

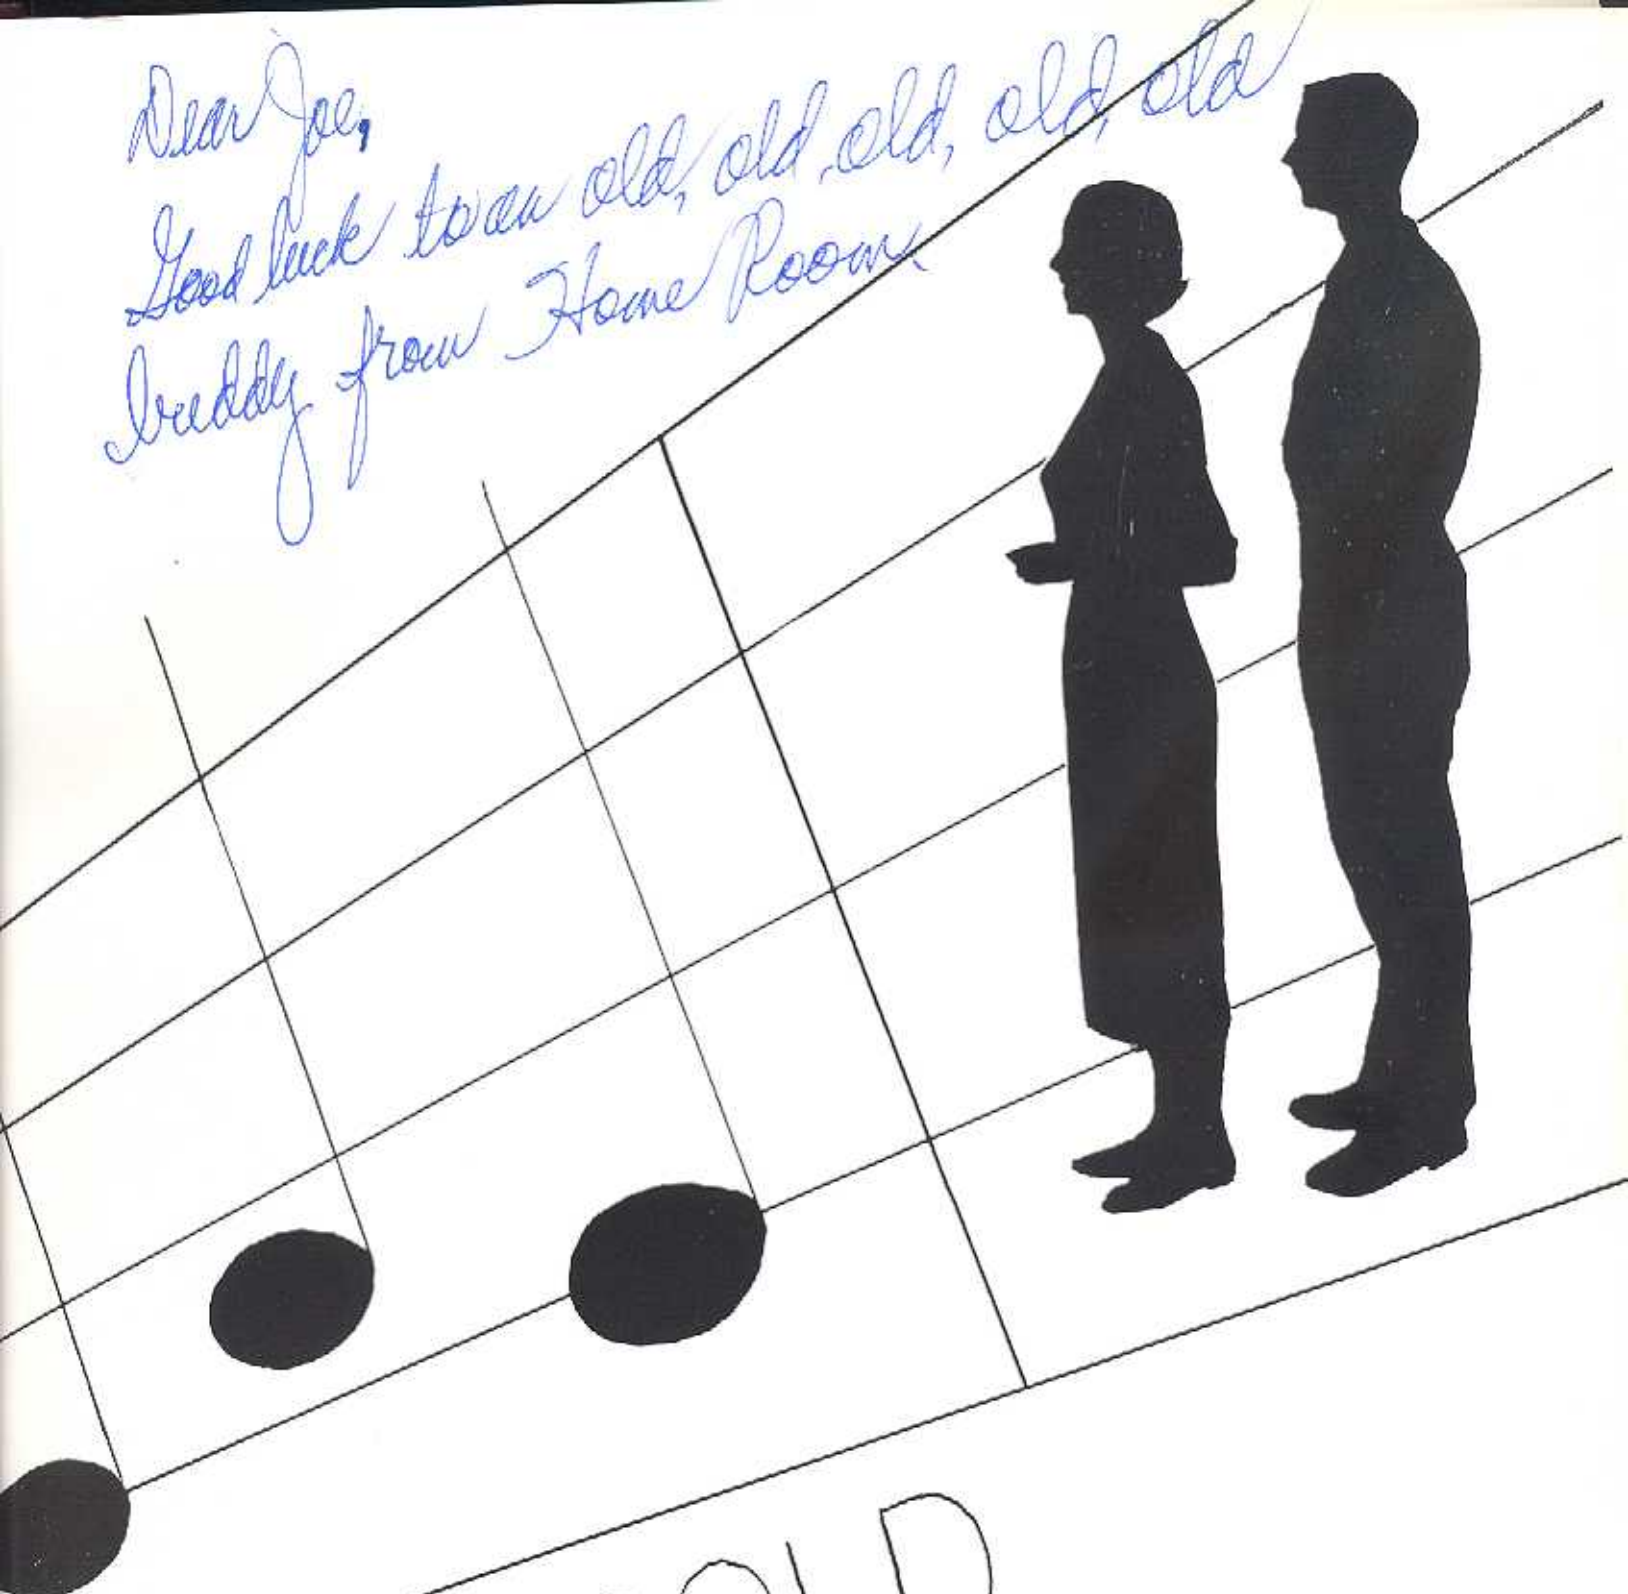

Hail to the Old Gold . . . a song of pride and loyalty that is especially fitting as a tribute to the school life of Central High students featured here. Each of these was chosen for his or her service to the school in one way or another, and each fully deserves the recognition given.

Actually, the entire student body participated in making up this group because it was their votes that selected these outstanding student's to represent them. These honors are an important part of our school life. It is with pride that we present these our leaders, and we are happy to give honor where honor is due.

Dear Joe!
We enjoyed so much being with you this past year & learning to spell with you. Although it was a rather mild class, I guess we did have fun. You are a fine boy & I wish you the best of luck & happiness.
Love
Lou Ellen Cook

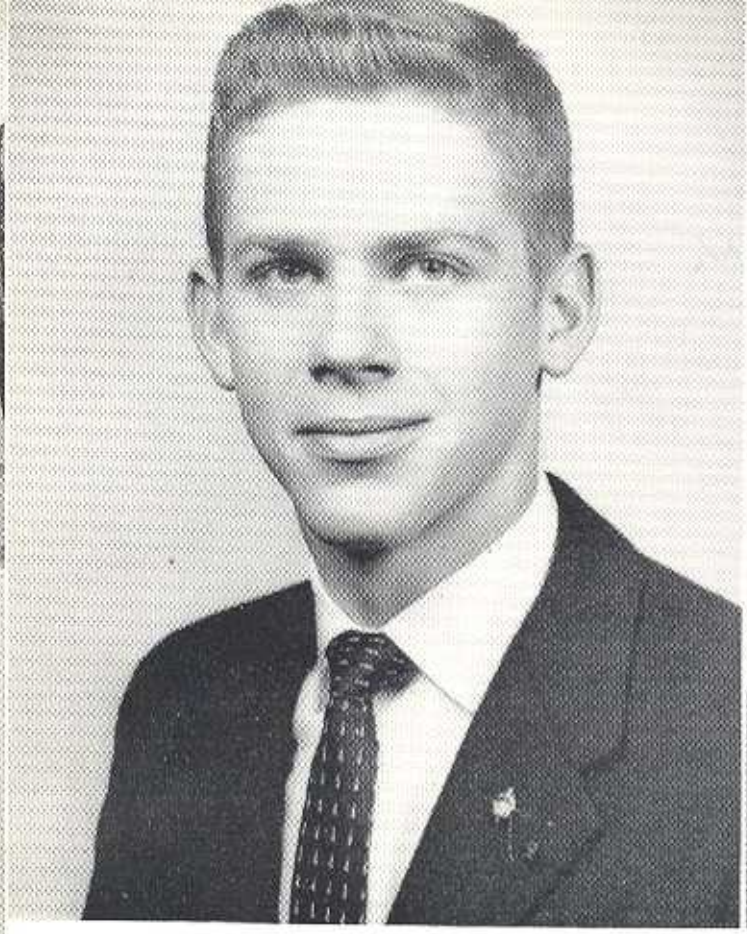

Dear Joe,
Good luck to an old, old, old, old, old

Dear Miss Snell:

As per your request I have selected your "Tiger Beauty Queen" by writing "First Choice on the back of her photograph.

This has been an honor and a most pleasant though difficult task because all five of your finalists possess many qualities of beauty and personality.

Please congratulate the winner for me and extend my best wishes to all of these lovely young ladies.

With kindest regards to you, Miss Middlebrook and your staff on the "Pix", and to the faculty and student body of Little Rock Central High.

Cordially,

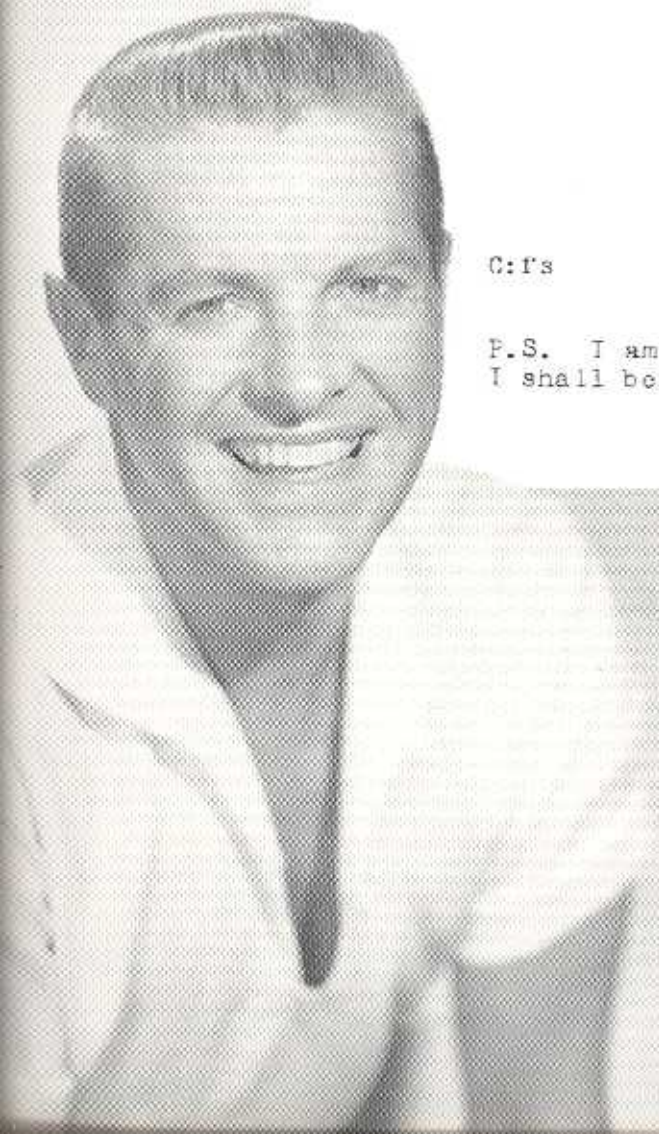

Bob Cummings

MOMENTS TO REMEMBER

Moments to Remember . . . Organizations at Central have given us many moments to remember. Clubs are the nucleus of our social life at school. Through them friendships are formed and contacts are made among students who have the same interests.

There are many types of organizations at Central. These include service clubs, honor societies, social clubs, and special interest clubs. These organizations offer many activities in which students may participate. Opportunities for developing individual leadership and unusual abilities through meetings, special services, and social events have made this year a very worth while and complete one.

Dear Joe,
Hi! Wish had alot of fun this past year. I hope you will always have good English & good & ugly teachers! Joke! Joke!
May you always have the best of everything for you are really deserving.
May God bless you!
Love ya!

Southernaires

The Southernaires, known to have a larger membership than any other service club at Central High School, have the distinction of being the official hostesses and decorators. The club is a social service organization designed primarily to promote happiness of individuals through training and activities of the group.

The members, pledging themselves to work for the development of a spirit of courtesy and friendliness in the school, serve at school banquets, Key Club luncheons, and P.T.A. meetings. This year they assisted at the Turkey Trot and helped sponsor Cupid's Cabaret at the annual Valentine Ball as they have done in previous years. The girls also helped in distributing containers to the various business houses for the crippled children's drive and sponsored a Martha Washington Tea for the faculty.

In early November, the Southernaires journeyed to New Orleans, Louisiana, for a four-day pleasure trip.

Debonaires

Debonaires, along with four other clubs, form the Pentangle Service Clubs of Central High School. Literally, "Debonaire" means "of a good kind" and is of French derivation. The primary ideal of the club is community service.

The symbol of the club is two golden hearts linked together by the word "Debonaire", and is emblematic of the Sympathy, Love, Strength, and Work of Debonaires.

This year's club has been an active group. Their special project has been visiting the Elizabeth Mitchell Home for Children as often as possible. The Debonaires are responsible for the Thanksgiving Food Drive for needy families and institutions, and for the collection of "Money Cards" in the Easter Seal Drive in the spring.

LRCHS Swing Band

Sponsor, Mrs. Helena Quigley

The LRCHS Swing Band is composed of about 20 musically talented Central students, under the sponsorship of Mrs. Helena Quigley. Members practice regularly at school and play for dances both at and away from Central. They also play for special school assemblies and many other programs. At top they are shown in field house playing for a dance. Bottom picture shows the Swing Band in action on the Key Club Capers.

Mrs. Quigley organized and remains sponsor of the group which is also called the Cavaliers. Serving in connection with the band is always a group of dancers and singers who perform with the band.

BUT I FEEL SO GAY IN A MELANCHOLY WAY

I Feel So Gay In a Melancholy Way . . . expresses the feeling of us all. Important as it is, we have never before given special recognition to our campus life with its numerous activities, and its moods and its overtones that change from season to season and from school year to school year.

Sophomores find the campus a grand place to get acquainted and to become a part of high school life. Juniors are happy to be reunited with old friends and classmates, but it is the seniors who really experience the true pulse beat that is the undercurrent of campus life. With graduation day drawing closer and closer and the wonderful hours of school life growing shorter and shorter, we see people walking hand in hand across our beautiful tree shaded campus, some laughing, some serious, but all clinging to a precious something that is fast slipping away . . . **I Feel So Gay In a Melancholy Way.**

Campus Life

BILL HICKS

Mr. Campus Choice

Bill Hicks, recognized for his outstanding athletic ability and leadership qualities, was elected Mr. Campus Choice by the entire Central High student body. He is a member of the LR Club, Beta Club, National Honor Society, and he attended Arkansas Boys' state. He won letters in football, basketball, and track.

HELEN RUTH SMITH

Miss Campus Choice

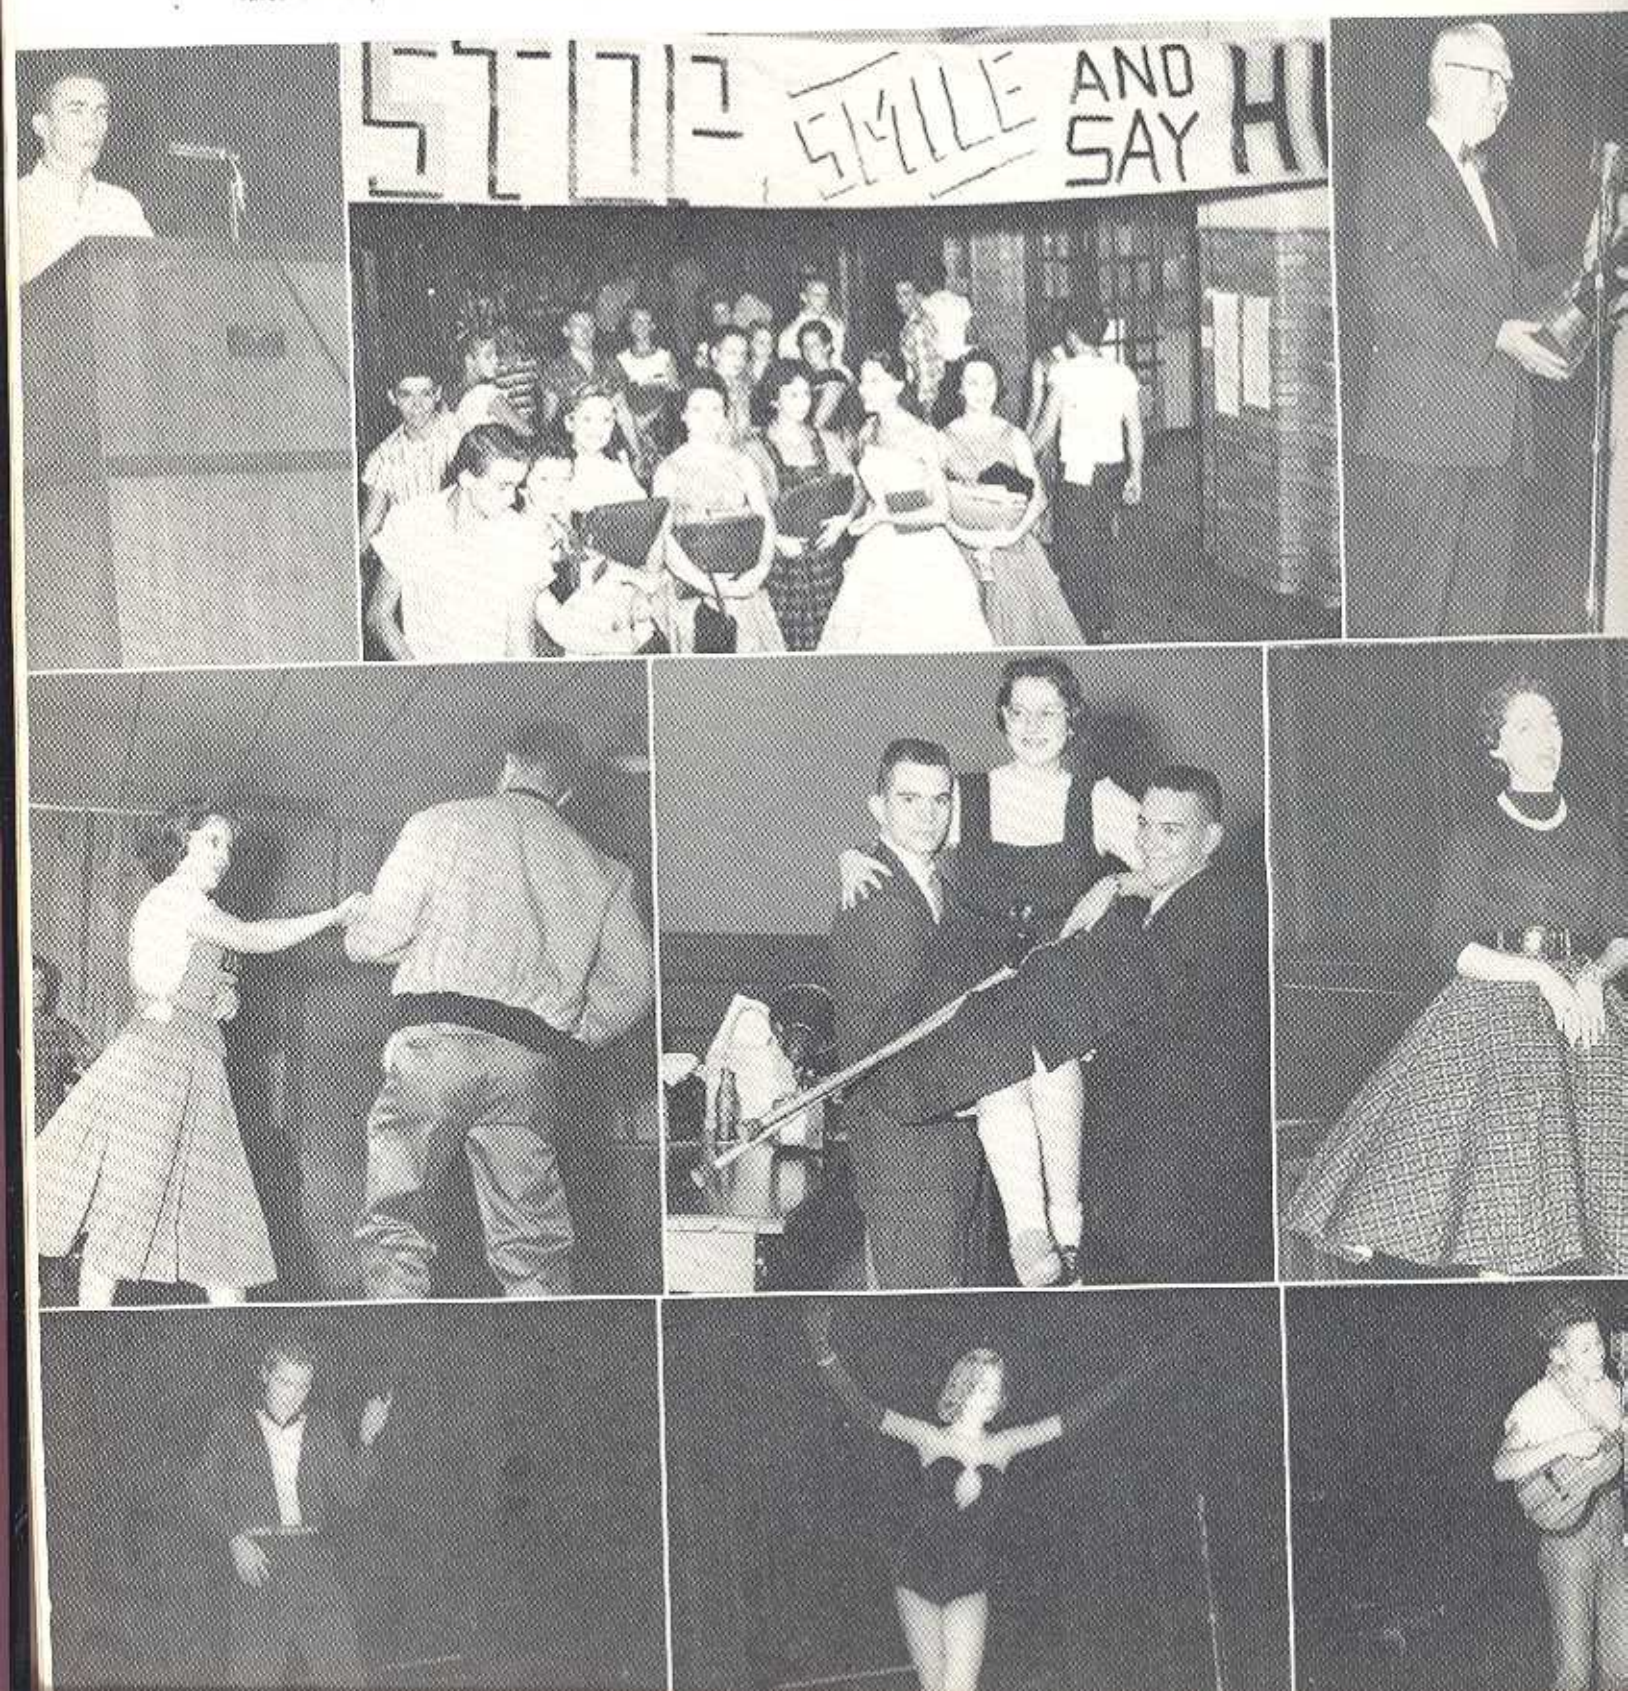

Helen Ruth Smith, known for her school spirit, was elected Miss Campus Choice by the student body of Little Rock Central High. Helen Ruth is captain of the Varsity Cheerleaders, a member of the Beta Club, National Honor Society, Non Pareils, and she attended Arkansas Girls' state.

Campus Life...

From the very first we began our year with a song in our hearts. Seniors elected Ronnie their class president. We strung a huge sign across the front hall welcoming everyone with a cheerful "Hi"! Before the entire student body, Mr. Matthews presented Harrell with a trophy that he had won in a national contest.

Helen Ruth really lived it up in Campus Inn after another Tiger victory. When the time for making club pictures came, Jane, with a torn ligament, found a little difficulty in getting down the stairs to the shuffleboard room; so two big, strong football players by the names of Gilbert and Ted came to the rescue. Joy is always a happy person, and on the sophomore assembly she conveyed her happiness to us.

Elvis was very stylish this year, and a stylish sophomore boy did a rockin' impersonation of him. Sherry floated across the stage—as light as the song that still is in our hearts, while Johnny was pickin' and a-singin' a different tune.

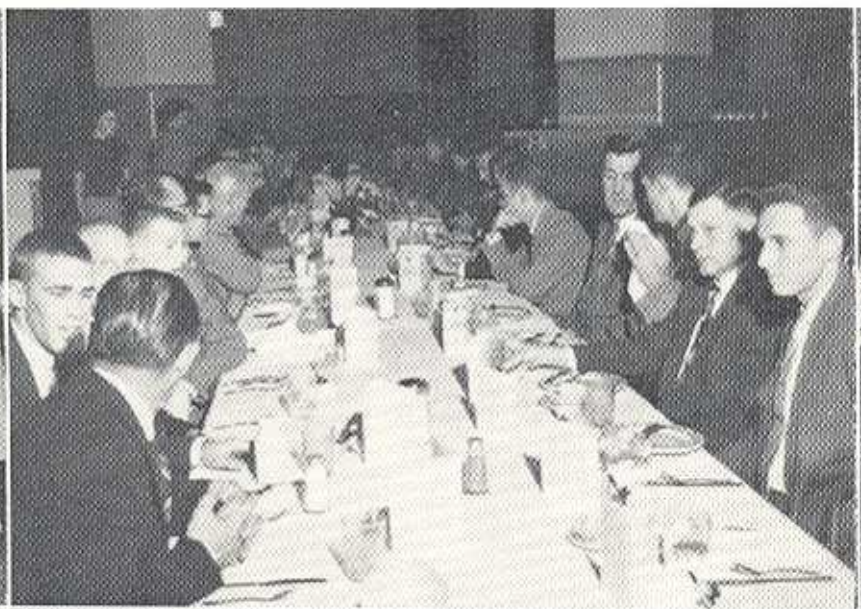

...Activities Began in the Fall

Things were really swinging when the LRCHS Swing Band started playing. You can bet that no one went home hungry from the Key Club Father-Son Banquet. There was plenty of good food for all. Betty Ann wasn't the least bit nervous when she presented Bill and Helen Ruth as Mr. and Miss Campus Choice.

Color Week found everyone's spirits bright to the strains of "Beat Pine Bluff!" from the Tiger boosters. When Turkey Day came, we had a big dance called the Turkey Trot to celebrate our 1957 victory over the Dogtown team. Some of the couples just took everything easy, while others posed for our PIX photographer.

Betty certainly made some good music come out of that piano on the Junior Talent Assembly. Rob and Jonnafae turned back the clock to the roaring twenties for a pantomime, while two Arkansas hillbillies sneaked in and stole the show.

CHS Was Full of Spirit . . .

Pep assemblies were always exciting, and they really made us feel a part of CHS activities. When a yell was announced, the cheerleaders stood ready . . . then began . . . and out came "Fight, team, fight!"

On Turkey Day morning the stadium was full of Tiger fans. CHS cheerleaders and some of the boys held an advance celebration of the victory over the Wildcats. Later we had a pep assembly in the field house, and we brought the roof down with Tiger enthusiasm.

Three prominent Little Rock businessmen all LR alumni, presented a skit at our homecoming pep assembly. At the football banquet, Arkansas' new football coach Frank Broyles talked about his former coaching position at Georgia Tech, and all the senior Tigers to be at the University next year. Then Ed presented Coach Matthews with a plaque marking the 1957 season defeats.

...And Then Winter Came

Winter came, and many things began happening. That may be a smile on Gene's face, but that polio shot is an occasion for an "ouch!" any day! The cheerleaders wish the basketball players "S-U-C-C-E-S-S!" At the PIX assembly "Elvis" Rains urges everyone to "Love It Tender"—their 1958 PIX, of course!

The writers of the CHS journalism department held their Christmas frolic at Campus Inn. The drama and music departments put on an excellent performance of the "Nutcracker Suite" at Christmas time. Carol Ann whirls in the part of the Russian dancer. Deb is as graceful as can be as she portrays the Sugar Plum Fairy.

Kathy looked quite gleeful as she started to open an early Christmas surprise. The Antoinette Dance began the Christmas social whirl [illegible] and the Southernaire Dance was one of the highlights.

Holidays Were Upon Us...

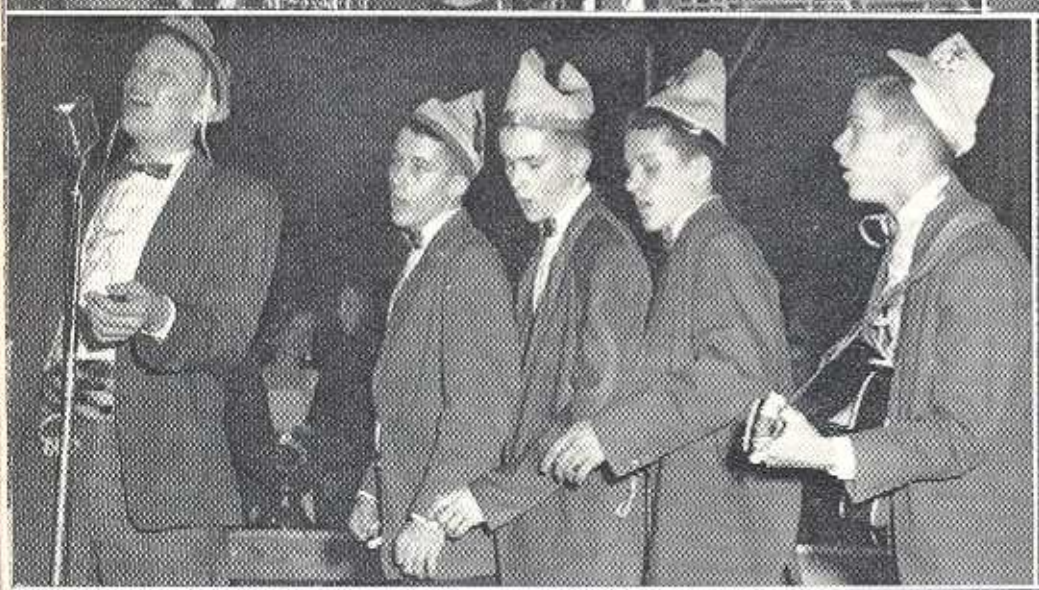

It was a very fine day for Robert Shaw when Andy and Mr. Matthews presented him with an honorary membership in the National Honor Society, and he was allowed to stay at school all day. Paula, Amanda, Rita, Betty, and Jane must think they're Christmas presents sitting under the large CHS tree.

The Rhythm Keys really live up to their name as they swing out at the Key Club New Year's Eve Dance. At the same dance every one was enjoying the dancing amid the decorations.

The Swing Band provided some fine music for the night owls who stayed up to see 1958 in. Ed gave a talk on the I.R. Youth Center for the Parent-Teacher Luncheon.

...Midterm Came and Went

Everyone remembers that mid-term marked the departure of football's Coach Matthews from Central to fill a new position at the U. of A. He was presented with a huge empty box as a joke, after which he received a watch and a piece of luggage. The Key Club Capers provided a number of entertaining acts, among which was a Dixieland Band.

Andrea was swinging and swaying to the tune of a Hawaiian melody. Pretty Mary Louise Core, with a background of equally pretty girls, stopped by on her way to New Orleans to sing "Bourbon Street Blues."

In France we found the can-can girls, cute as could be! In China Chad and Walter were surrounded by a huge fire breathing dragon.

It Wasn't Long Until Spring . . .

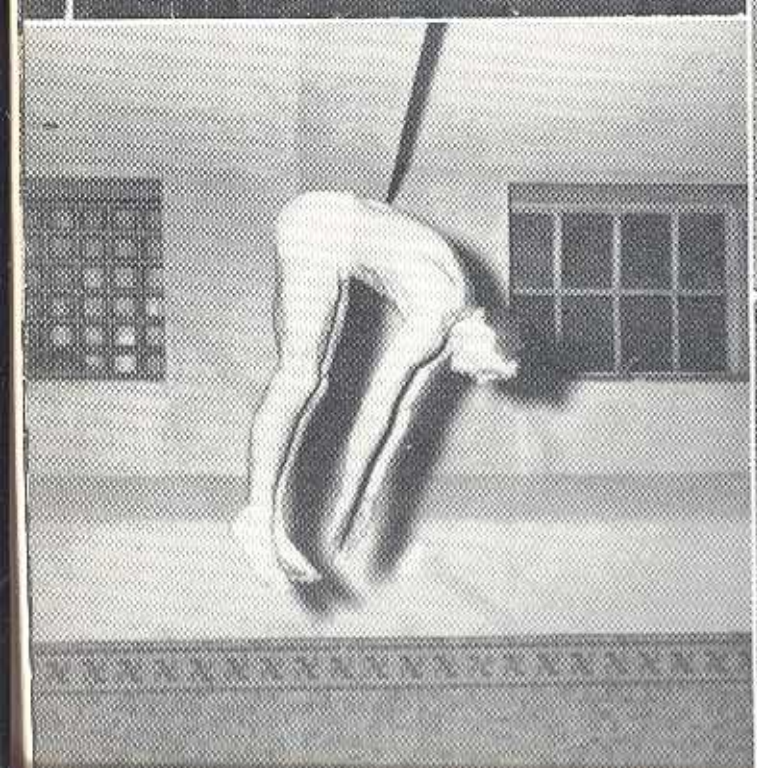

College Day came with all the yearly excitement, and the song in our hearts was a spirited melody containing great enthusiasm. Arkansas State Teachers College at Conway sent a male quartet, Arkansas College at Batesville provided us with a wonderful girls' octet, and Arkansas Tech at Russellville sent a grand dance band called the Esquires.

The CHS swimming team had plenty of action this year. They were a very active group as is shown by Phil's dive, and by the smiles on the faces of all the swimmers.

. . . And Our Year Was Nearly Gone

The Valentine Ball is a yearly thrill and everybody was very happy when Ronnie and Kay were crowned King and Queen of Hearts. Ted and Janice find that dancing's fine and invite everyone to come and join them.

Bud must have been pretty thirsty—hope he doesn't end up taking an unprepared-for dip.

All during "Beat Fort Smith" week there was dancing on the stage every morning, interrupted by the cheerleaders for a few spirited yells. The lone rangers over there are Andrea and Gilbert, who were quite confident of a victory over the Grizzlies.

Thus our Campus Life story ends, and the song is still in our hearts, as the melody changes to a heart-filling march. The song is ended, but the melody lingers on.

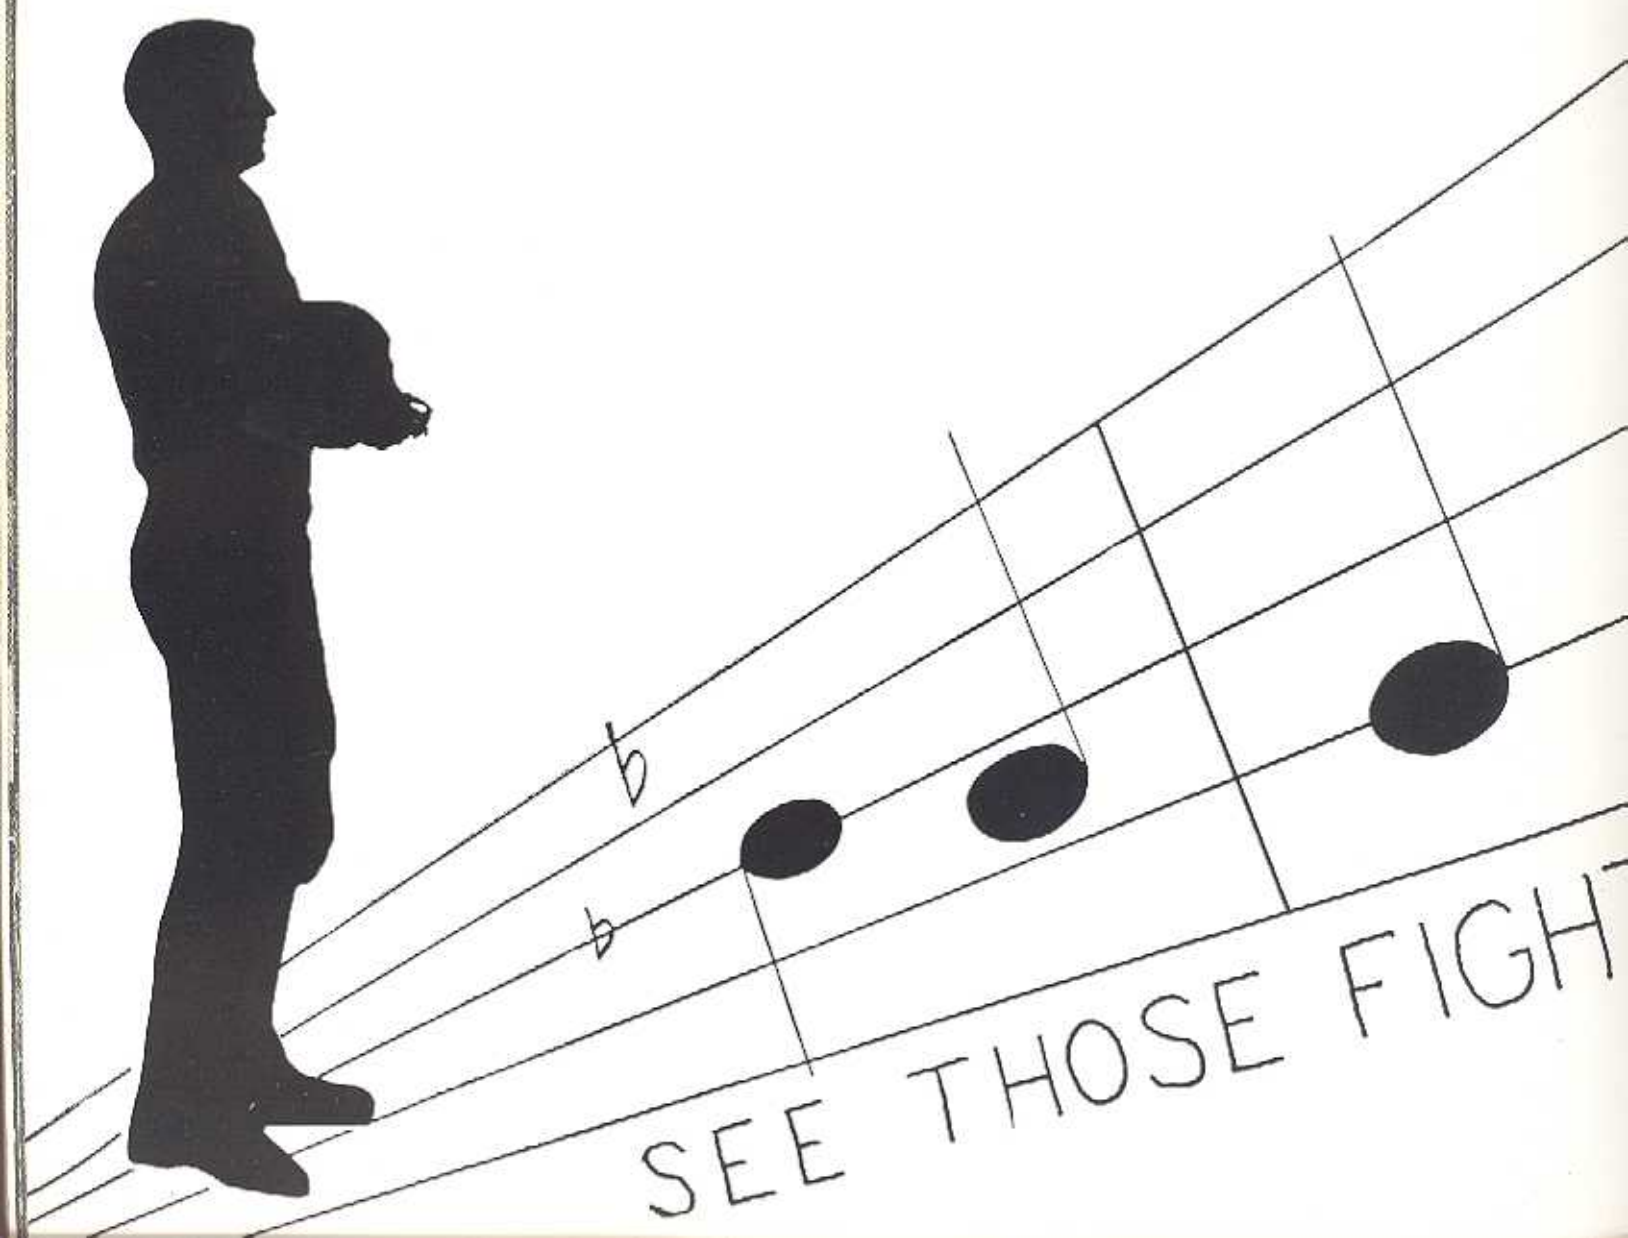

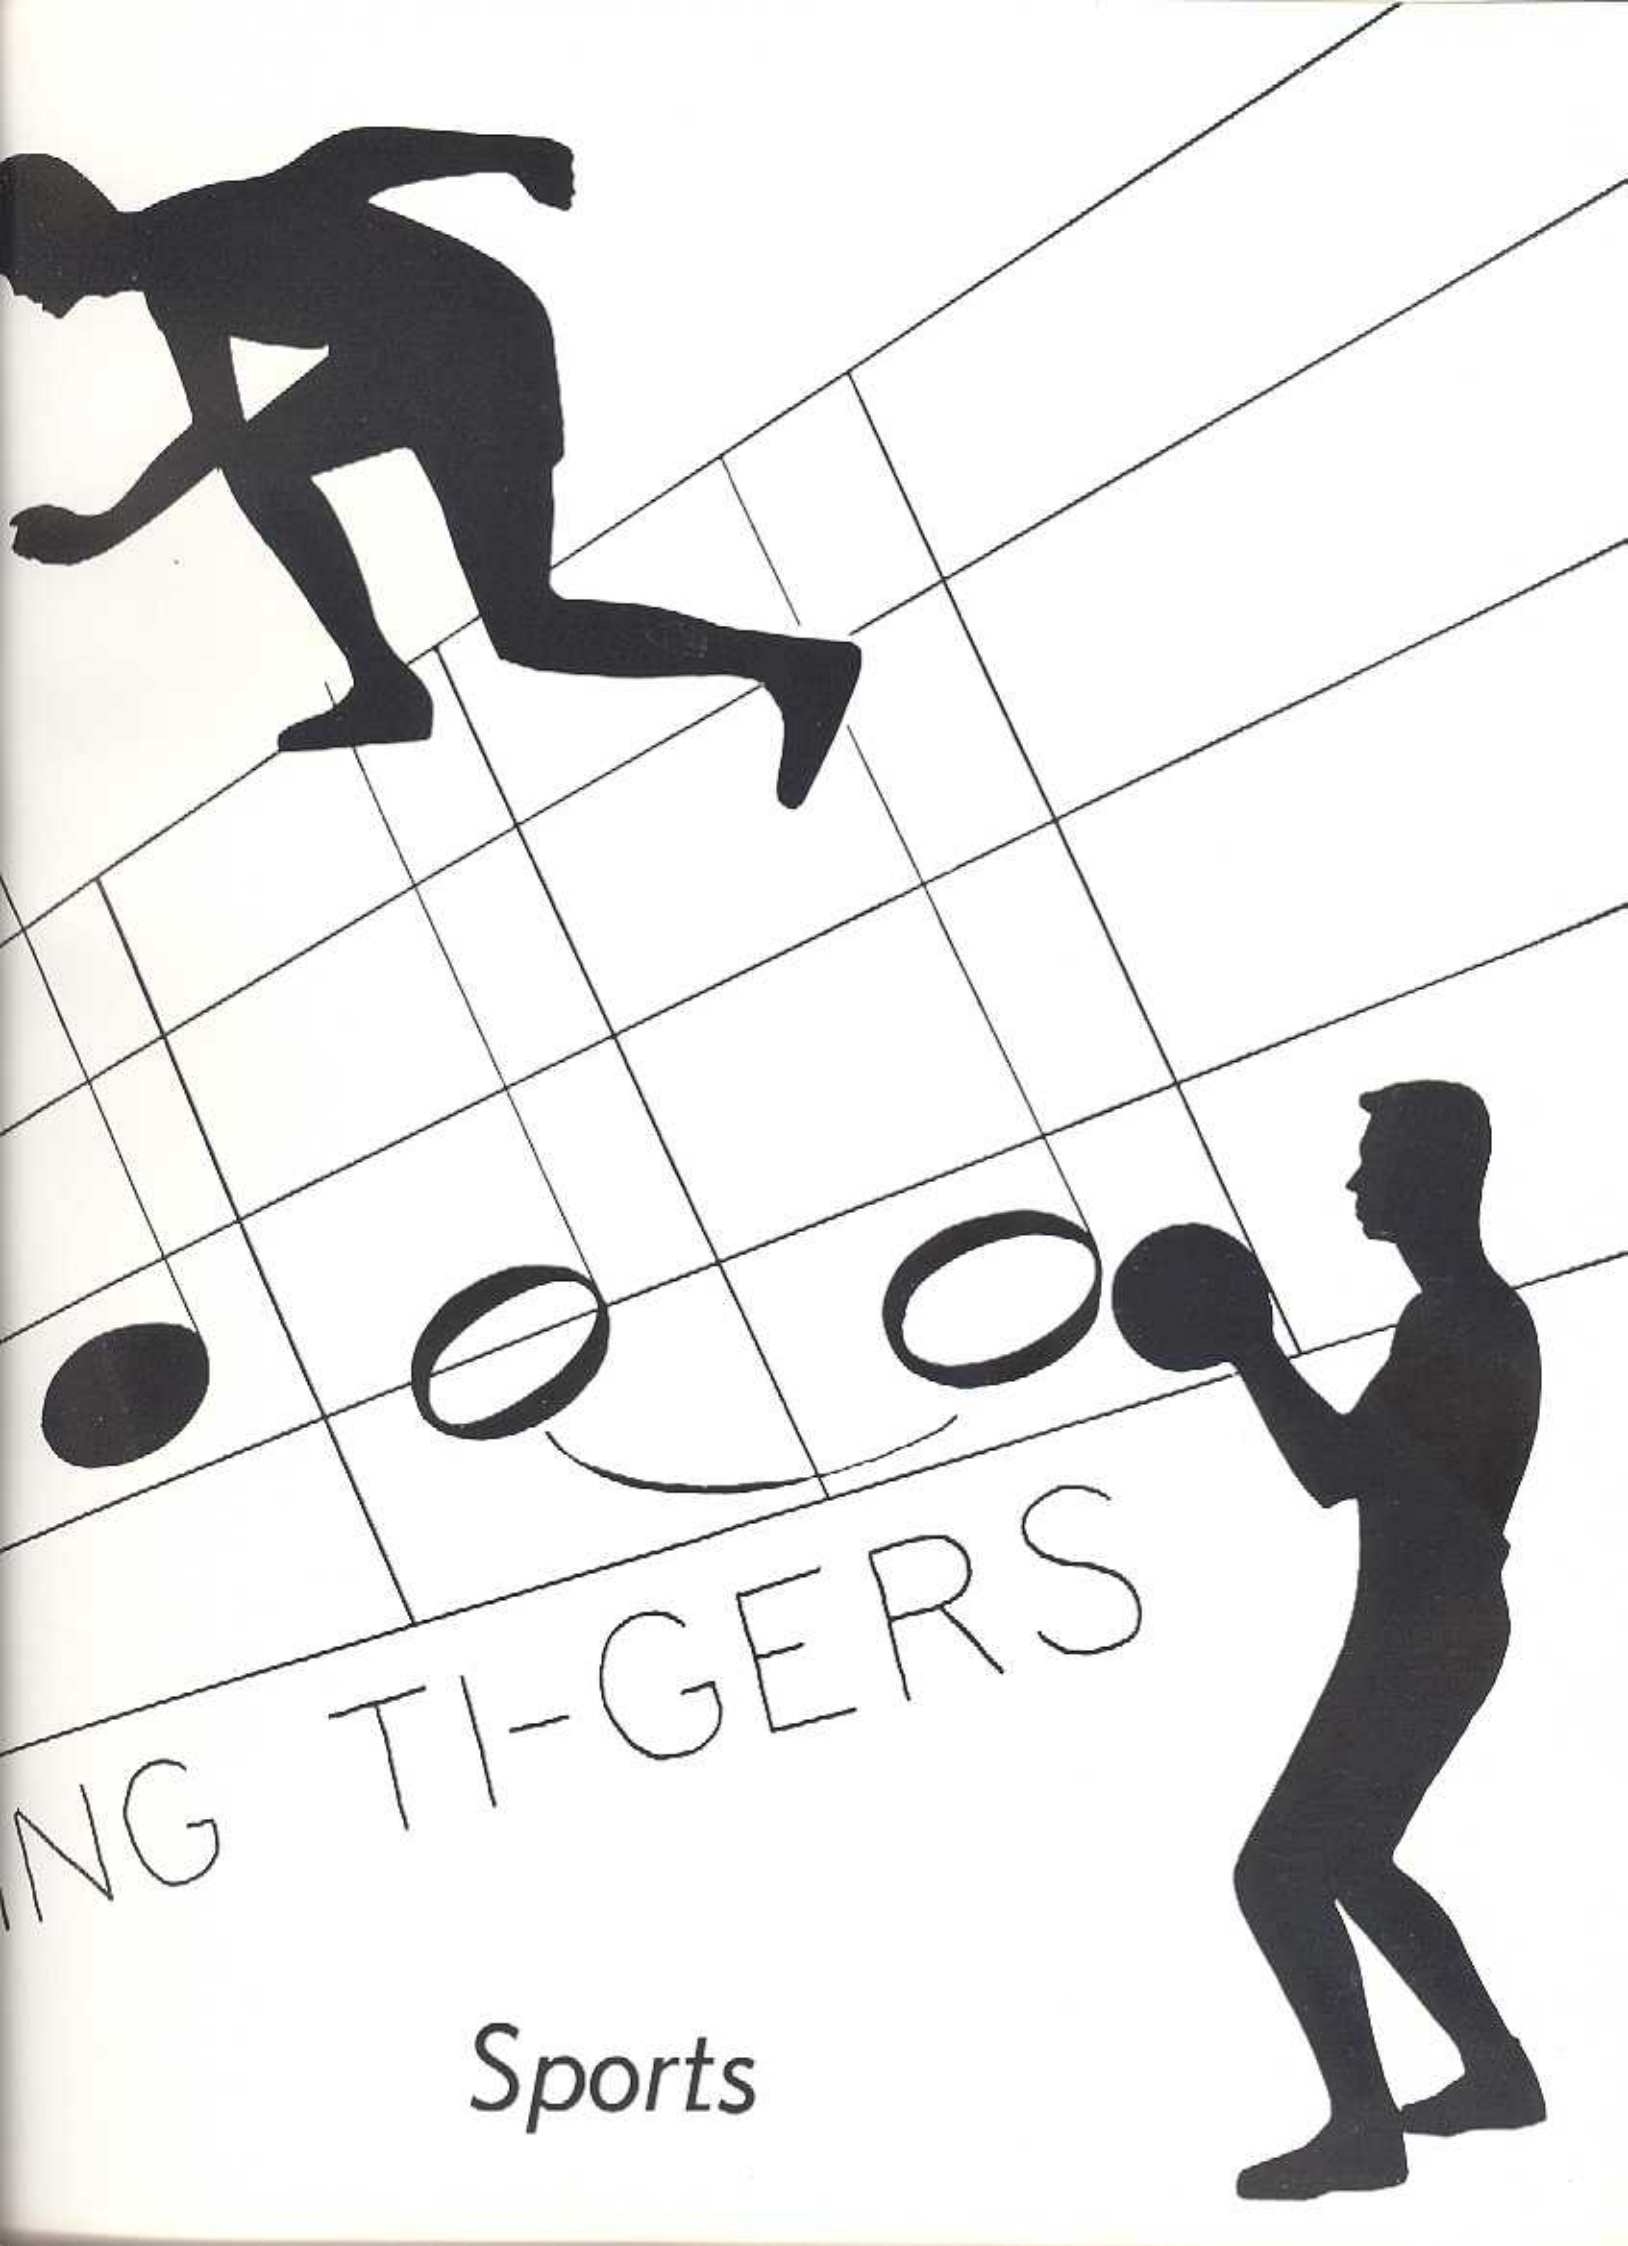

EACH ONE TRIED AND TRUE

Each One Tried and True . . . Certainly applies to our Tiger athletes this year. We had an all-time great football team, leaving Central with a 33-game winning streak. Our basketball team gave us many exciting moments, and we had an outstanding year at track.

The sports program at Central occupies a major role in our school life. We always have great team spirit expressed on the field and in such activities as pep assemblies, color day, and homecoming assemblies. All these events are supported and promoted by our able cheerleaders, who are on the job all year round.

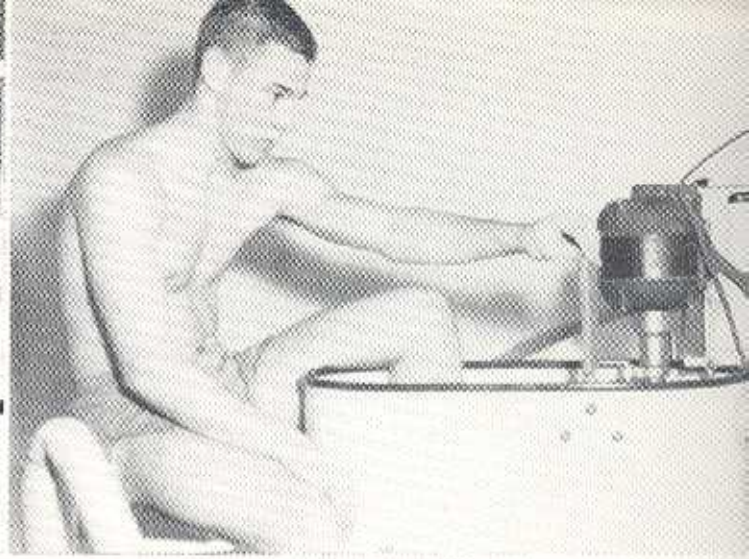

Our Tiger teams, student body, and cheerleaders have combined to give us a wonderful sports program this year, a program that will be remembered by all as a great success.

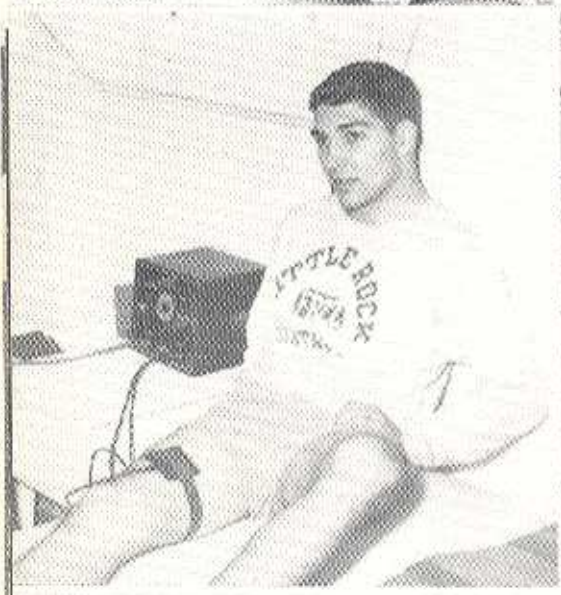

Sports

LRCHS' First Aid Program

The Training Room is a very important part of LRCHS Athletics. This is where Tigers who are injured are made ready for action. It is equipped with whirlpools, electric vibrators, rubbing tables, and ultra sound devices for injured muscles. This room is kept in top shape by contributions from the LR Club, and is under the supervision of Coach Clyde Hart for use in all sports.

Top Left: Tiger halfback, Sammy Peters, gets his weak ankle taped by new LRCHS trainer, Clyde Hart.

Left Center: Bruce Fullerton takes electric treatment for pulled muscle.

Lower Left: Athletic manager, Henry Mahan, arranges training table for Tiger athletes to use.

Top Right: Charles Hicks checks the temperature of the water in the small whirlpool as he treats his sprained ankle.

Middle Right: Ronnie Hubbard, Tiger sprinter, in the steam cabinet, recuperates from a cold.

Lower Right: Billy Moore, Tiger sprinter, is treated for a pulled muscle in the whirlpool.

Middle Center: New trainer, Coach Clyde Hart, checks his medical supplies to get training room ready for rendering the highest type of service to all athletes.

Harry Carter Heads CHS Coaching Staff

Harry W. Carter, former supervisor of Health and Education in Little Rock Schools, took over the position of Director of Athletics for Central High School in 1955, replacing Earl F. Quigley who resigned. Mr. Carter, a 1940 graduate from Central, received his Master's Degree from Arkansas in 1948.

Wilson Matthews coached the greatest football team in Central's history. They were undefeated and untied for their second straight year, leaving the longest winning streak in the school's history, and winning thirty-three consecutive games. In eleven years at Central, Matthews' teams have lost to Arkansas teams only three times, all by a total of nine points. They set up an over-all record of one hundred and eleven wins, fifteen losses, and three ties, including wins over some of the toughest opponents in several states. Coach Matthews has left Central to be an assistant coach at his college alma mater, the University of Arkansas.

Gene Hall, who has served on the Tiger Coaching Staff for three years under Coach Wilson Matthews, steps into a coveted place as head football coach of the Little Rock Central Tigers. Hall has no qualms about this testy position. "Whether you have a string of thirty three or a one game win record, you give it your best, and there is nothing more you can do," he explains.

Hall is only twenty-eight, and for a young coach to follow the great tradition set by Earl Quigley, Raymond Burnett, and Wilson Matthews, could be a rough task. Hall was a member of Central High football team of 1946, having a string of twenty-four touchdowns in his senior year.

Lawrence Mobley came to Central High School four years ago as head basketball coach. Mobley, a graduate of LRCHS in 1944 and also a member of the Championship Basketball team that year, attended Hendrix College where he received his Bachelor of Arts Degree. In the past three years Mobley's teams at Central have finished third, second, and first in Conference action. Mobley, now in his fourth year at CHS produced a near championship team.

Ralph Holland, another new face to be seen on the Central High coaching staff, graduated from Bauxite High School, and continued his education at Southern State. He later transferred to Quachita Baptist College, where he was graduated.

Coach Holland started his coaching career at Morrilton where he was the Devil Dog's assistant football coach for one year. After leaving Morrilton, he was the head coach of Paris High School for four years. He has coached both football and basketball B teams, and works with both teams at Central.

Clyde Hart, new Little Rock Central High School track coach and athletic trainer, was a track letterman for four years at Baylor University in Waco, Texas, where he ran on Baylor's relay team that equaled the world's record for that event. This is Coach Hart's first year of teaching besides his coaching and training duties.

Top left: The 440-yard relay consists of Steve Swafford, Danny Duggar, Glen Fields, and Fullerton.

Top middle: Five Tiger sprinters, Duggar, Fields, Swafford, Charles Hicks, and Fullerton get set on the starting blocks.

Top right: Steve Swafford, record-holder for the broad jump, shows his unorthodox jumping style.

Middle left: Weight man, Bill May, throws the discus.

Middle center: Calvin Bracy, pole vaulter, goes up and over the bar, showing good form.

Middle right: Bill Hicks, Tiger weight man, heaves the shot at a recent track meet.

Lower left: The mile-relay consisting of Hubbard, Hicks, Fields, and Fullerton, should break their own record this year.

Lower middle: Bruce Fullerton and Glen Fields, two of the top boys on the relay teams, practice a baton exchange.

Bottom middle: The 880-yard relay consisting of Swafford, Duggar, Fields, and Fullerton, stride across the finish line in relay pattern.

Lower right: Tiger sprinter, Ralph Brodie, is the anchor man on the 440-yard relay team. Here Ralph churns to the finish line all by himself in a recent track meet.

SCHOOL DAYS

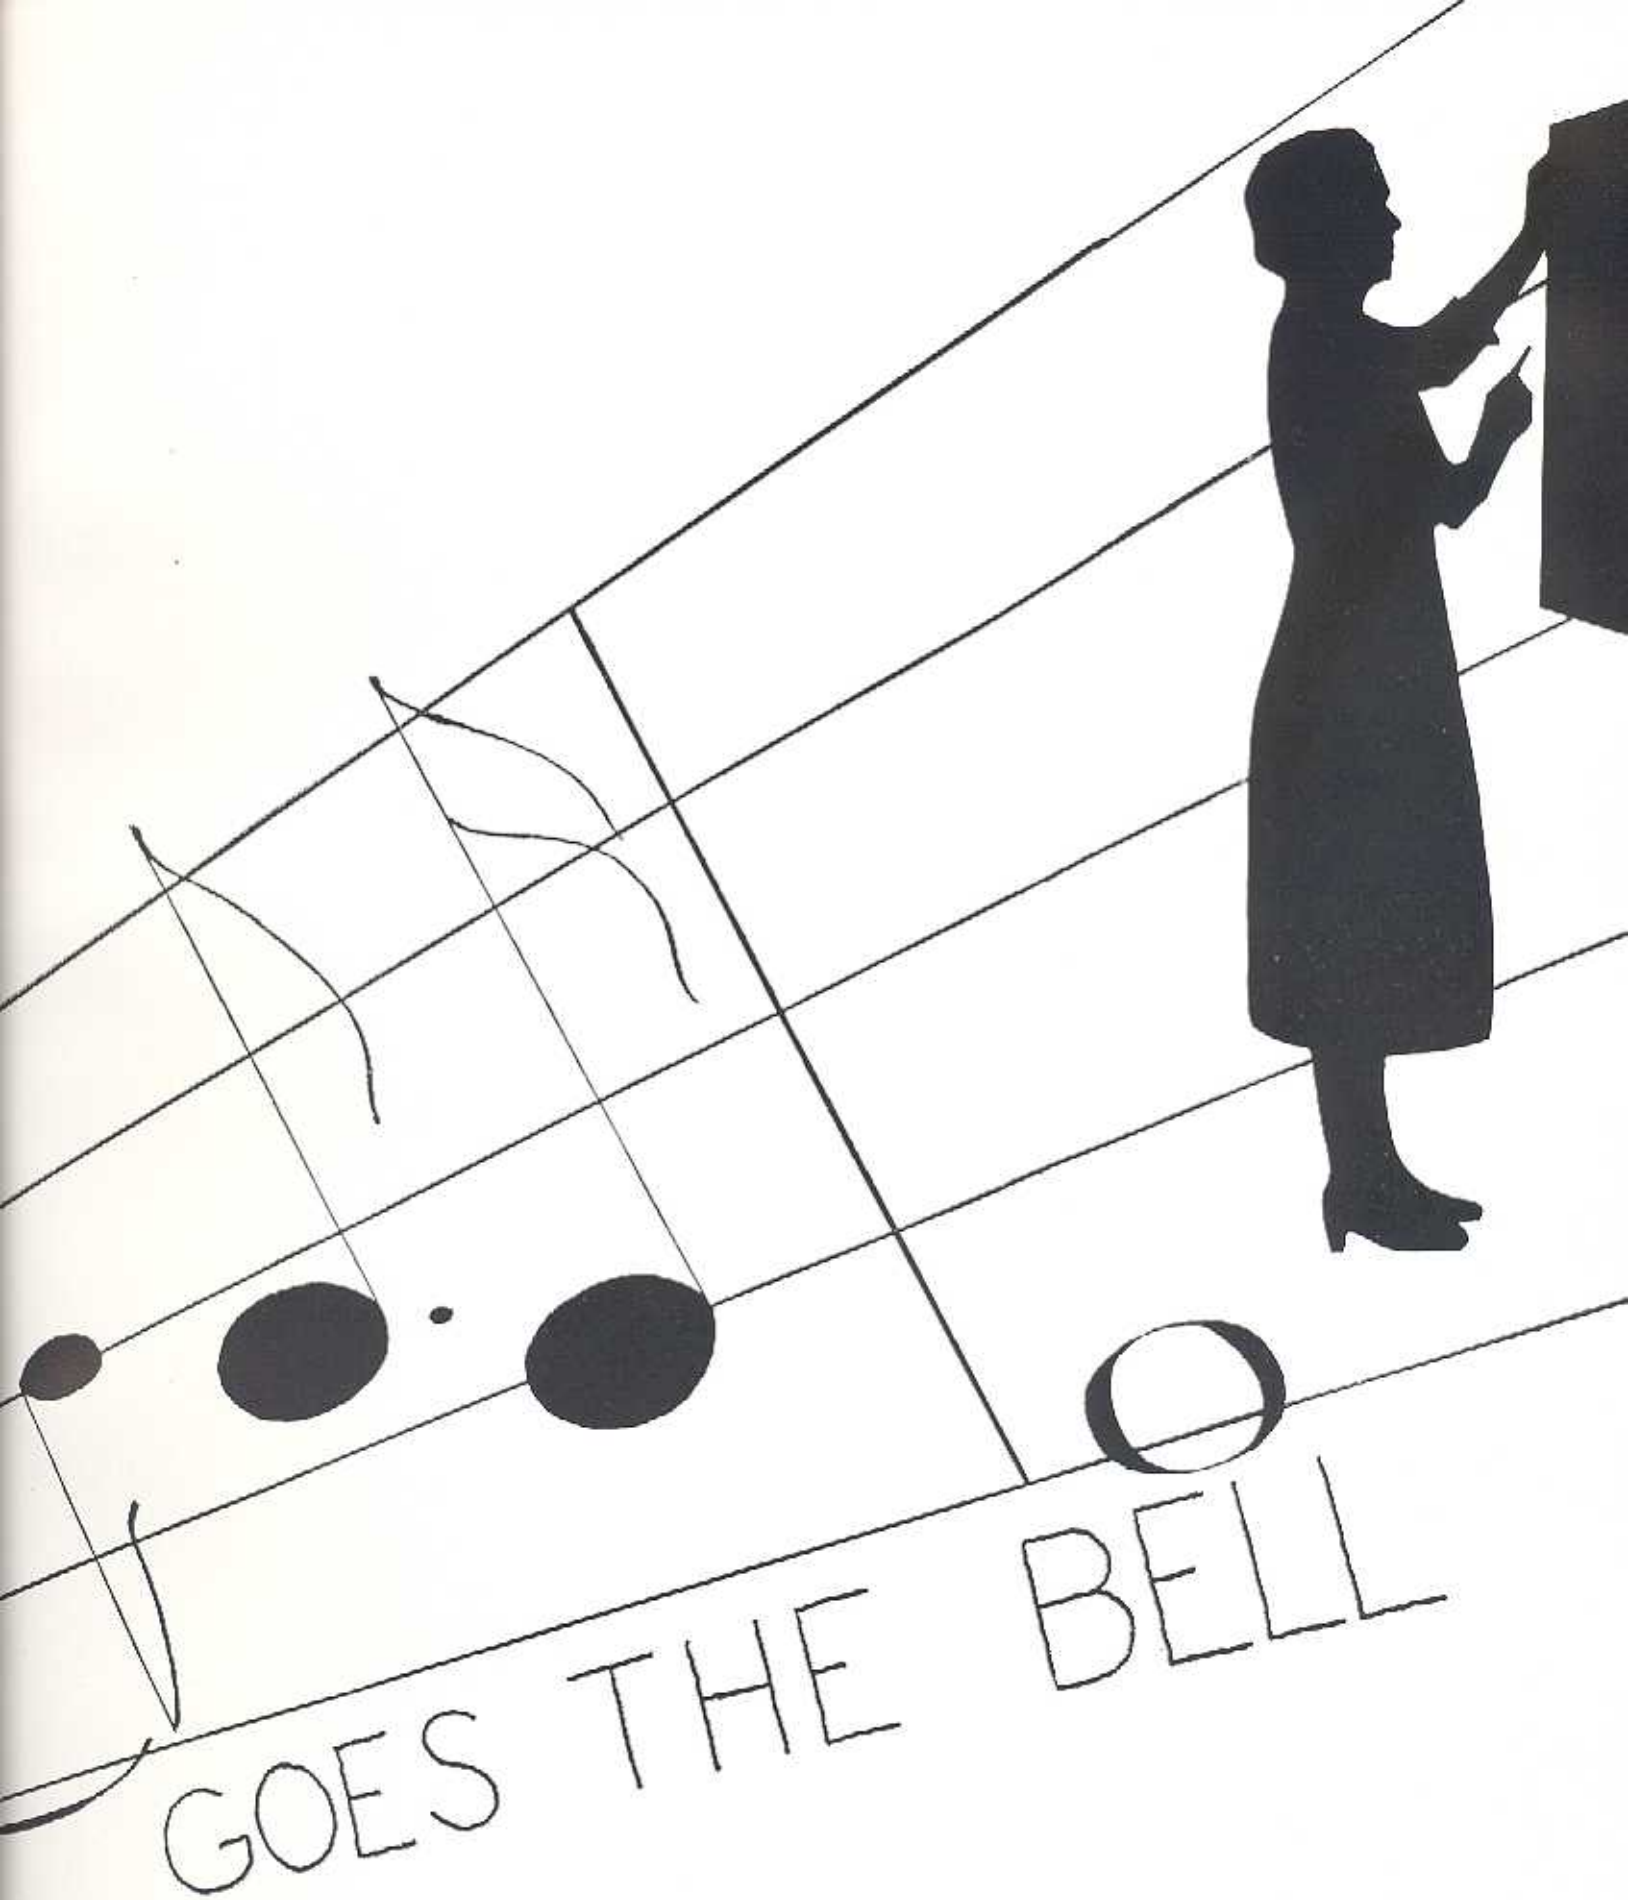

SCHOOL DAYS . . . Most of our school day is spent in the classroom. With the wide variety of subjects offered at Central, we have many different classrooms, and each has its own atmosphere and personality.

Anyone walking down the halls of Central can identify different classrooms by the sounds and, not infrequently, the smells issuing forth (chemistry!), sounds of "foreign tongues", oratory and speeches, the popping of flash bulbs, the clacking of typewriters and indescribable murmur of many other normal classroom activities.

From the rumble of the printing presses and whirr of electric saws on the ground floor to the strains of the band practicing on the fifth floor, we have a symphony of sounds which typify our "school days".

Dear Jane,
The year is finally over and I have been more than honored to know you. I am glad I could assist you in opening your locker, although it was much. I wish you all the luck in the world always and may God bless you.
Your friend always,
Sandra Sinnett

Classrooms

Drama and Speech

The purpose of the speech and drama departments is to increase the effectiveness of the pupil's ability to communicate with his audience. Classes offered by these departments include speech, public speaking, a combination speech-drama class, and drama. Speech classes train the tools of communication such as voice improvement, articulation, speaking to an audience, and reading from the printed page. The public speaking classes give the students training and experience in speech making, debate tournaments, and oratorical contests.

Drama classes are planned to give some knowledge of, and experience in, pantomiming, costume and stage designing, reading plays, and becoming acquainted with the history of the theater. The major production of the drama department is the senior play.

Top Left: Making leis for the Hawaiian girls in the Key Club Capers are, from left, Bobby Shepherd, Richard McKinley, Mary Louise Core, Dan Squier, Eddie McHughes, Glynn Morehart, and Steve Barker, all students in Mrs. Helena Quigley's speech class.

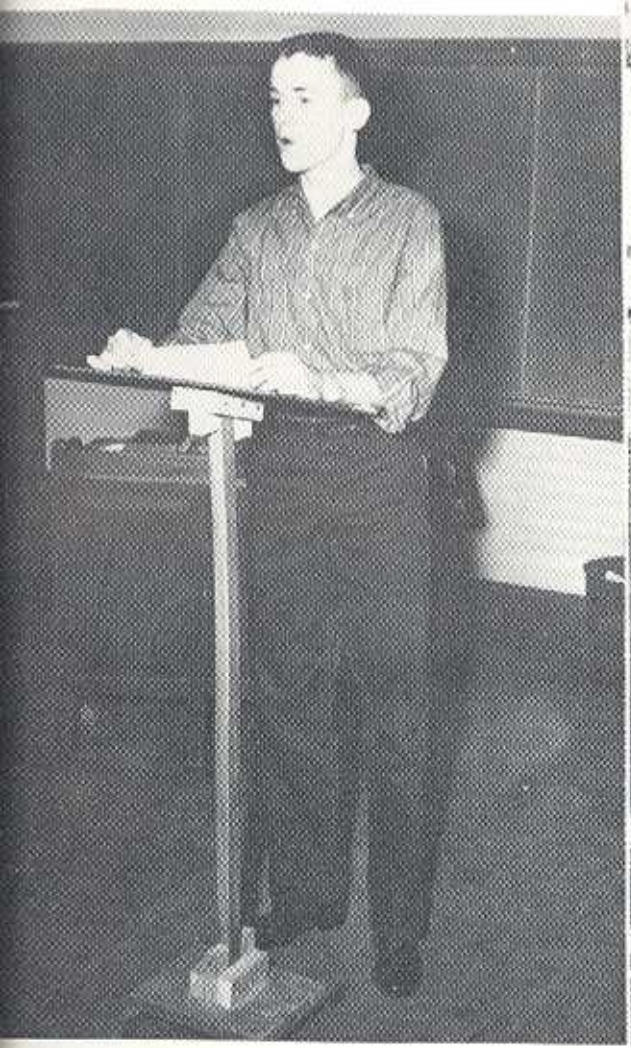

Bottom Left: Jane Gardner reads a poetry selection to Miss Shirley McGalin's speech class. Onlookers are, from left, Bud Northern, Janice Henriksen, Tommy Johnson, and Miss McGalin.

Right: Sandra Scitres, Walter Rose, Chad Kumpe, Lynn Finch, and Jimmy Romine, members of Miss Alberta Harris's drama class, do a scene from The Wonder Hat, for an all-school assembly.

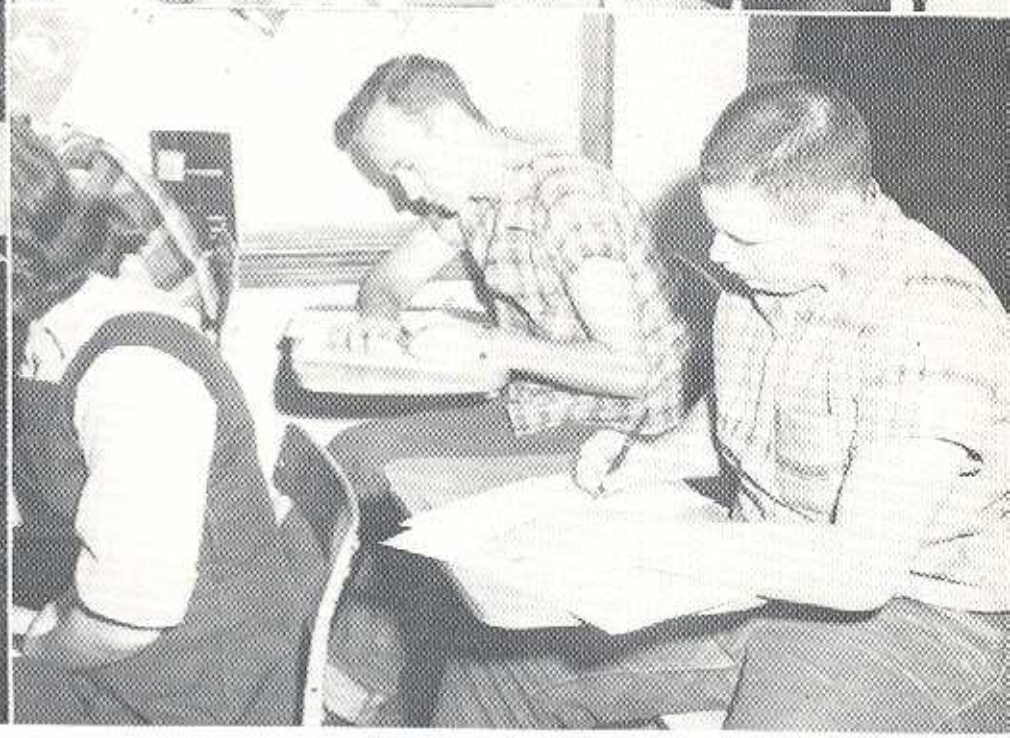

English In Action

The English department of Central endeavors to meet the needs, mentally, morally, and socially of their pupils by presenting the study of English in an appealing manner. Courses in English are required for sophomores and juniors and elective courses are offered to seniors. Seniors may choose English 12-1, English 12-2, or World Literature. English 12-1, a college preparatory course, embraces a survey of English literature and a comprehensive review of grammar. English 12-2 offers a review of the basic principles of reading, writing, and speaking. World Literature offers a study of the literature of many nations.

"Writers' Rendezvous," which contains original selections written and edited by the pupils, is a literary magazine published annually under the supervision of the English department.

Left: Paul Gwin, a student in Mrs. Mildred Stalnaker's 12-2 English class, gives a special report.

Top right: Participating in a weekly spelling bee are Jimmy Hamilton, Judy Atkinson, Elena Burt, Randy Payne, Rebecca Cannon, and Annette Funk, students in Mrs. Doris Glenn's eleventh grade English class.

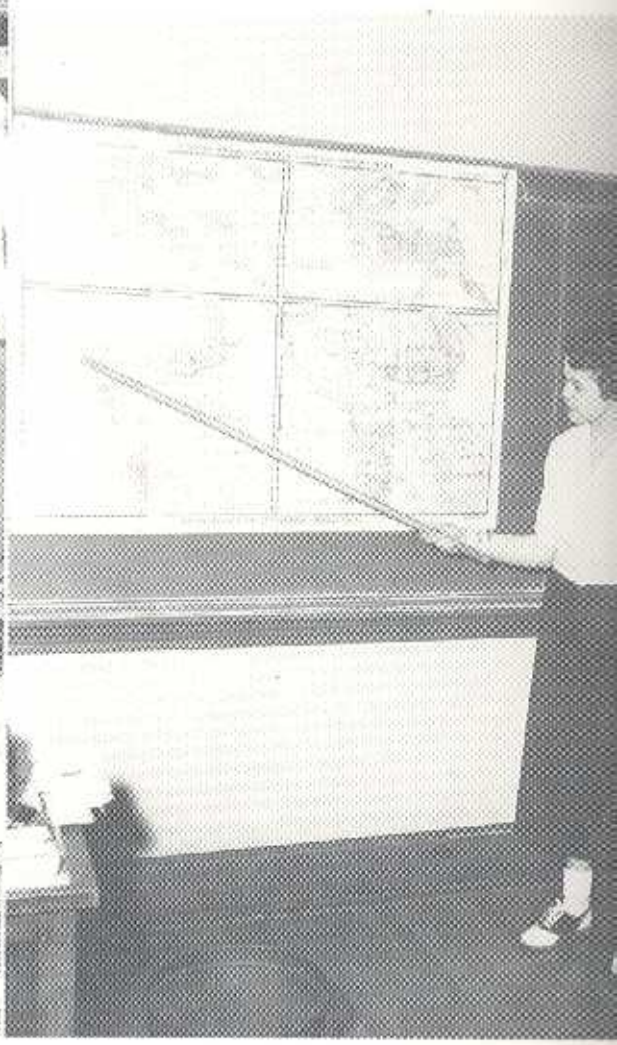

Bottom right: Robert Davis and Wayne Pritchett, members of Mrs. Elizabeth Brandon's 12-2 English class, take six weeks' tests.

Social Science

The objective of the social science department is to teach students to develop the ability to examine information, to form independent judgments based on facts, and to gain some understanding of the world in which they live. Four different social science courses are offered. World History, emphasizing world cultures and world conflicts among the nations, is offered as a tenth grade elective subject. American History teaches students of the rich heritage that belongs to all Americans and is a required course for all juniors. Two elective courses, American Government and Latin American history are offered to twelfth grade students. The government class stresses the practical sides of American citizenship. The objective of the Latin American history is to create a sympathetic understanding of our southern neighbors and an appreciation of their culture.

Top Left: Sarah Edwards points out material about Uruguay to Miss Emily Penton's Latin American history class. Students observing her, from left, are Ronnie Burton, Jane Emery, Betty Cole, and Georgia Dortch.

Bottom left: Studying the United States Treasury System are Diane Carter, Ruby Woodson, and Kay White. Students in the foreground are, from left, Sammy Archer and Paul Barnes. The class is taught by Miss Vivian Daniel.

Right: Nancy Gill, a student in Mrs. Dorothy Lenggenhager's tenth grade world history class, explains the position of the Balkan countries.

Mathematics

In this scientific age mathematics has become essential to an understanding of our world as well as a preparation for many careers. Six courses, algebra, plane geometry, applied mathematics, second year algebra, trigonometry, and solid geometry, are offered in the field of mathematics.

A student must understand a process before he can master it. To assist him in understanding mathematical truths, teachers use many aids, such as models, filmstrips, field trips, and class projects. Many of the models, projects, and posters are made by the students themselves.

Left: Explaining and demonstrating the pyramidal surface is James Nuckols, a student in Miss Christine Poindexter's solid geometry class.

Top right: Working algebraic equations in Miss Jo Ann Browning's algebra class are Bobbie McDuffie, Owen Blacklock, Terry Rankin, Lynn Weber, and Harold Wilson.

Bottom right: Bob Smothers explains the construction of design to Mrs. Zonta Hopkins's plane geometry class.

Elective Courses

Woodwork

The purpose of the woodworking department is to teach interested students how to use hand and machine tools and the basic fundamentals of selecting and getting the most out of wood.

Students also learn the basic fundamentals of making and finishing furniture. Projects made annually by the students include lamps, coffee tables, rocking horses, crossbows, and tables.

Distributive Education

Distributive education students attend school half a day and work in stores the remainder of the day. It is a cooperative program carried out by the high school and Little Rock business establishments. Students receive salaries as any other employees of the firm and also receive high school credit for their training.

Diversified Occupation

The purpose of the diversified occupations program is to prepare high school students for entrance into full time employment in the occupations of their choice. Diversified occupations is an on-the-job training program, which offers high school students the opportunity to earn while they learn a profitable vocation.

Top left: Mr. Paul Magro, woodworking instructor, assists Gerald Perrier in building a modernistic bookcase.

Bottom left: Caroline Whitcomb, Janice McJunkind, and Joan Boveia, members of Mr. Forrest Cherry's diversified occupations class, make a class scrapbook.

Right: Georgianne Baker and Don Phipps, both senior students of Mrs. Nyna Keeton's distributive education class, hold trophies won by the department in state competition.

Business Education

The business education department of CHS offers courses in typing, shorthand, bookkeeping, and business machines. The primary objective of business education is the preparation of pupils for entrance into business careers, for rendering services efficiently in their chosen vocations, and for advancement to higher levels of employment. Business education also deals with the principles and practices of everyday business relationships which should aid one in conducting his personal business activities with satisfaction both to himself and to society. Businessmen of the city endorse the program and are enthusiastic in their praise of the work of the students who have completed the business curriculum.

Left: Miss Gethe Pickens checks a shorthand assignment done by Linda Hoffman, a senior member of her class.

Top Right: Babs Holladay, a student in Mrs. Ruth Carter's business machines class, works on a daily comptometer assignment.

Bottom Right: Typing labels in Miss Julia Bell's typing class is Jerry Guthrie (right). Also doing a typing assignment is M. C. Methvin.

Trade Printing

Vocational printing students are trained to become advanced learners in the field of graphic art. The Central print shop is the most completely equipped in this section of the country. It is equipped with a modern automatic cylinder press, linotypes, and a complete offset printing department, as well as the essential hand presses and other manually operated equipment. Among the major productions of the department are the LRCHS Tiger, student directories, Writers' Rendezvous, and the forms used by offices and teachers. To acquaint the students with tools and equipment used in printing trades, the working conditions of industrial printing plants, and a respect for the printed word are the main objectives of the printing course.

Top Left: Arthur Pearrow and J. W. Koon, students of Mr. C. H. Tobler's printing class, operate the Mehle No. 1 printing press with a Dexter Feeder. They are printing the Central High Tiger.

Bottom left: Arthur shows the Mehle press to members of the Tiger staff. They are Jane Emery, Betty Parsons, Jo Ann Thompson, Georgia Dortch, Dave Naylor, Paula Galusha, David Scruggs, Henry Dale Griffith, Rita Taylor, and Charles Wilmoth.

Right: Phillip Payne reads strip proof as J. W. Martin operates the Linotype machine in Mr. Ernest Gephardt's class.

Home Making And Mechanical Drawing

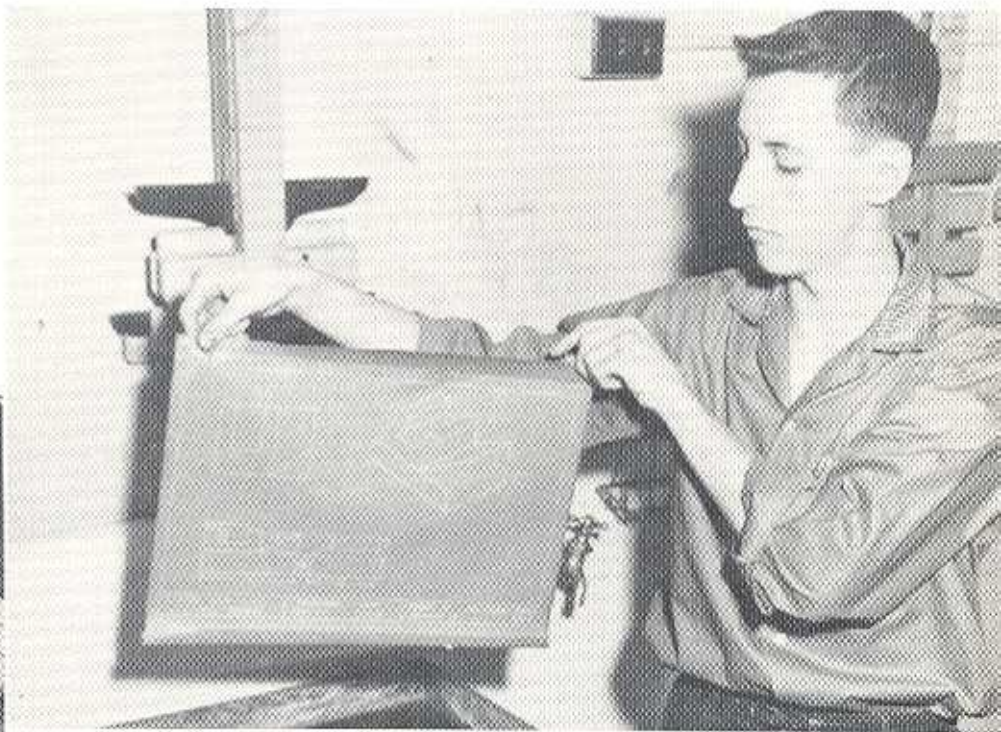

Home Making

Clothing and foods, home management, and child development are among the courses offered by the home making department. These classes are based on the everyday problems, needs, and interests of pupils which relate to personal, family, and social development of high school girls. Clothing and foods, both semester courses, are taught alternate semesters. Home management covers all phases of home making, including care and development of children, selection of food and clothing, selections of homes and their furnishings, relationships with other people, health factors, management of time, work, and money and consumer buying.

Mechanical Drawing

Mechanical drawing, an elective course, is offered to students who are interested in engineering, architecture, and drafting. The course includes instruction in lettering, geometric design, orthographic projection, map drawing, and architectural drawing.

Left: Mrs. Grace Dupree assists Carolyn Townsend, a tenth grade homemaking student, in transferring her pattern markings.

Top Right: Bobbie Sosebee, a student in Mr. Pat Aydelott's mechanical drawing class, examines the blueprint he has made.

Bottom Right: Judy Gay and Linda Wallace, members of Mrs. Anne Nunnally's cooking class, have a lesson in meat and vegetable preparation.

Art

Art courses offered at CHS are basic art, poster design, water color, costume design, interior decoration, and creative art. Basic art teaches the principles of sketching, painting, and form composition. Poster design emphasizes phases of art which the title indicates. Costume design and interior decoration are both semester courses. Creative art is a two-period twelfth grade subject in which individual projects are made. Each student is also given the chance to work in an art job for a part of the year for practical experience for a future career.

Languages

French, Spanish, and Latin are three languages offered at Central. French, a three-year course, teaches the fundamentals of grammar and developes the ability to read and write the language and to speak and understand it.

Spanish, also a three-year course, is taught through conversation, a simple method used to acquire a pratical working knowledge of the language without classroom drudgery.

The Latin department offers a four-year study of the language, alternating Latin 11 and Latin 12. The courses serve to acquaint the students with the myths, legens, and histories of Rome and Greece.

Top Left: Making posters for National Library Week are Harold Moore, Betty Parsons, Mary Lee Franklin, John Kozmeiskowicz, and Linda Cameron. They are all students of Mrs. Lucile Barnett's poster design class.

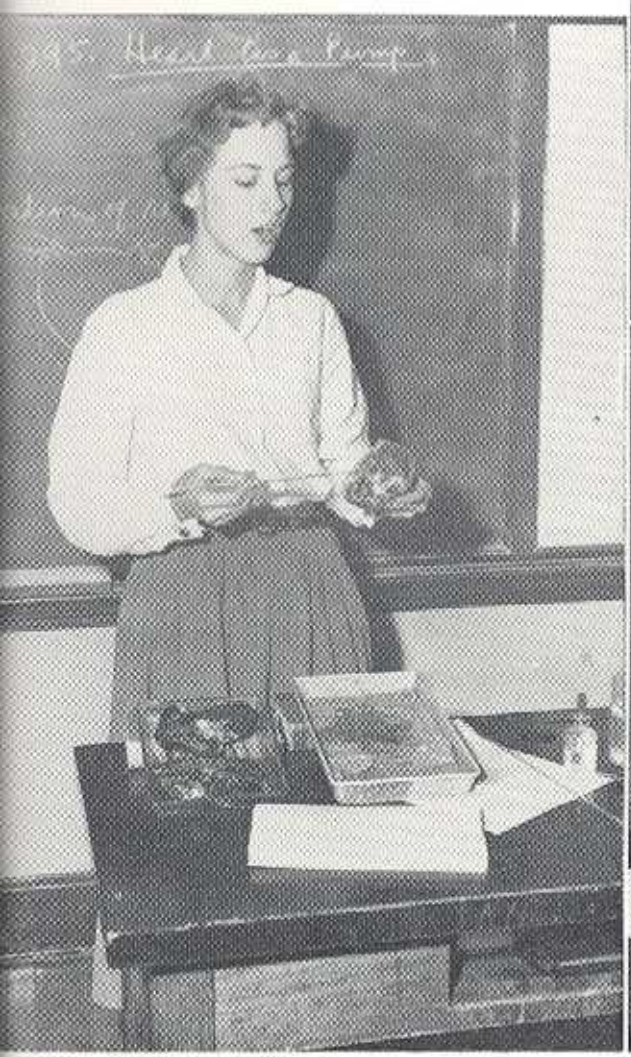

Bottom Left: Annette Spann and Linda Davis show a map of Caesar's Gallic campaign to Mrs. Abby Foster's second year Latin class.

Right: Miss Irene Harrell's second year Spanish class listens to a Spanish story read by Jan Key.

Science

Biology, chemistry, practical chemistry, and physics are offered in the LRCHS science department. The aim of the science department is to present the fundamental problems, facts, and principles of these branches of science. The courses are set up with the aim of giving a good foundation in these sciences as preparation for further study in college. These courses enable students to employ scientific patterns of thought. The aim of the science departments, also, is to enable each student who studies science to have a better understanding of himself and his world, and so to live more wisely in his ever changing environment.

Top Right: Mr. Everett C. Barnes, physics instructor, looks on as Robert Brown and Ralph Brodie work on generators. Other students pictured, from left, are Ladd Davies, Lloyd Erickson, Arnold Norman, Billy Pickens, and Andy Smith.

Bottom Left: Explaining the circulation of blood through a pig's heart is Jackie Davis, a tenth grade biology student in Mr. H. K. Bell's class.

Bottom Right: Toshio Ooki and Jualyn Matlock, students in Mrs. Gavie Griffin's chemistry class, run analysis on commercial baking powder.

Advertising

Central High Journalism Department is partially supported by the sale of advertisements for the LRCHS TIGER and THE PIX. The advertising program is undertaken by a class in advertising made up of boys and girls who sell advertisements one or two periods a day, after school, and on week-ends. This sale is carried on by each salesman in the hope of his selling the highest number of advertisements, thus winning a free copy of THE PIX and a bound volume of THE TIGER. Prizes are also given to the salesmen who rank highest in sales for THE TIGER and THE PIX, and to their respective homeroom teachers.

THE PIX Staff would like to take this opportunity to express thanks to the business men and women of Little Rock who have supported our advertising program, thus making possible this publication of THE PIX. We urge teachers and students of Central High to remember this fact when they go shopping.

You Pay for a Business Education Whether You Get It or Not

These facts are based on a study made by Dean Everett W. Lord of Boston University, nationally recognized authority on the relation of education to salary. The original data have been evaluated by the Equitable Life Insurance Company of Iowa to conform to the changed index of the purchasing power of the current dollar.

1. The Untrained Man: He goes to work at 14 and reaches his maximum income at 40 with a life average of less than $2,400 a year.

Since his income is largely dependent on physical strength and manual dexterity, it falls off at 50 or earlier, often to a point below the level of self-support. More than 50 out of every 100 untrained workers are dependent upon others after the age of 60.

Total Earnings From 14 to 60, About $110,400.

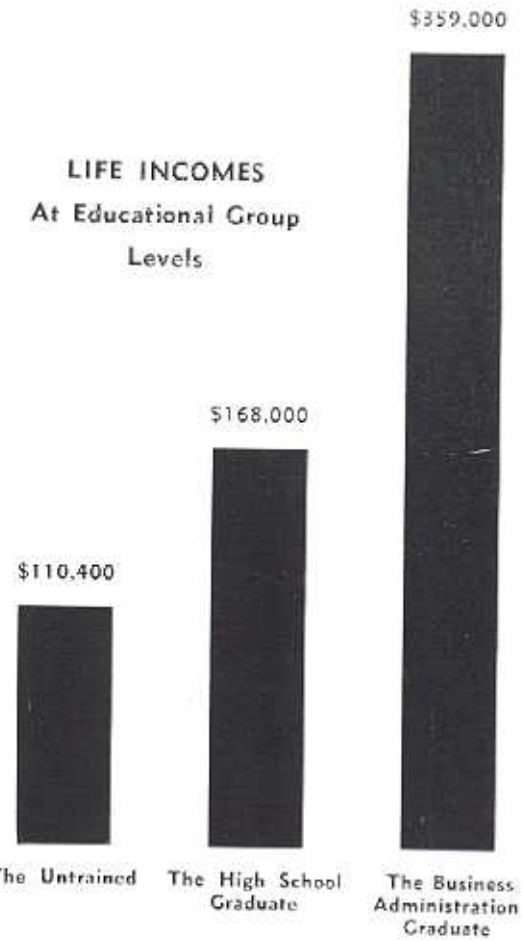

2. The High School Graduate: He goes to work at 18, passes the maximum of the untrained man within ten years, rises steadily to his own maximum at 50 with a life average of $4,000 annually and declines but little thereafter.

Total Earnings from 18 to 60, About $168,000.

3. The Business School Graduate: His permanent earnings begin at 22. By the time he is 30 his income equals that of the high school graduate at 40, and continues to rise.

Since his income is dependent upon his mental ability and training and is constantly improved by practice, it increases rather than diminishes. The graduate in business administration reaches his maximum at 60 and has a life average income of $11,000 annually.

Total Earnings from 22 to 60, $300,000 to $418,000.

For fifty years, Draughon School of Business, Little Rock, Arkansas, has accepted the responsibility of supplying business and industry within our area with properly trained office personnel.

For more than ten years our Free Employment Department has received many, many more calls for trained personnel than we could possibly fill because we could not train them fast enough. Not having the words to express to you the possibilities of thorough business education, we submit to you the above report entitled, "You Pay for a Business Education Whether You Get It or Not." Won't you read and study this report and ask yourself this question: "May I also receive profits and benefits by attending Draughon School of Business, Little Rock?

LAURA

Laura Bradley is all smiles, and there's a very special reason why. Standing in front of her living room window is a brand-new ebony grand piano. Ever since she took her first lessons as a child, Laura had longed to have this dream come true. So when she began her career as a stenographer a few years ago, Laura opened a savings account with her first pay check. Just last week her regular deposits added up to the amount she needed. What have you always dreamed of having? Whatever it is, it can be yours with the help of a Pulaski Heights Bank savings account. Start yours today.
